Mr. Lambert in response to your letter last week to Joyce Cowan regarding the incorrect district voting places she sent over a corrected list. After reviewing I still noticed some were not correct according to a discussion Council Member Wilson and I had. I then forwarded that list to Steve Clammons and after review he agreed some were still incorrect. Steve then went through the entire list and made the needed corrections and sent it back to Joyce. She stated she would make the adjustments to the list. Council Member Wilson also reviewed the list as provided by Steve Clammons and agreed it was correct. Joyce Cowan contacted Steve Clammons and notified him that the list has been updated so all should be correct now.

Thanks,

Amelia Sanchez
