KYLE POLICE DEPARTMENT

111 North Front Street
Kyle, Texas 78640
512.268.0859

Date: January 7th, 2014

Ref: Citizens Police Academy

The Kyle Police Department is ready to announce the Spring 2014 Citizens' Police Academy (CPA). This academy is designed for adult citizens who either reside in the City of Kyle or who own a business within the City. We would like to post the attached CPA application on the City's website to make it available to the public for downloading and returning to the police department. The deadline for applications is Friday, February 7, 2014. The start date of the Spring Academy is February 20, 2014. The academy is 10 weeks long, plus a graduation. Classes are one night per week (Thursday night's 6p-9p) plus two Saturdays. This hands-on course will allow citizens a wonderful opportunity to learn about the operations of the Kyle Police Department. Attendees will also be allowed to ride out with a police officer once reaching a specified level of training. Once the graduate completes the course they are provided the opportunity to join the Citizens' Police Academy Alumni Association designed to maintain close working relationship with the police department and future CPA classes.
