### 2015 Summer Youth & Teen Camps

It is our goal to offer a recreational program that youth can participate in to maintain a happy, healthy and active lifestyle; rather than sit on the couch and play video games all summer. We strive to introduce the children to new and different ways to recreate through physically and mentally exhilarating field trips, on-site activities and valuable friendships.

### 2015 Counselor-In-Training Program

The purpose of the Counselor-In-Training is to offer young people, grades 10-12, the opportunity to become familiar with the leadership skills and responsibilities required to become a camp counselor. CITs will gain knowledge of these skills through meaningful discussions and learning sessions, shadowing staff, participation in planning and executing projects, and attending field trips and special events for camp. Space is limited to 6 CIT positions per 2 week session. Dates and fees for the CIT program are listed below. \*\* All CITs must attend an orientation prior to their first day. The first orientation will be held Saturday May 30, 8 am- 12 pm at Old City Hall (101 S. Burleson; Kyle, TX 78640)
