### Basic Water Rescue

The purpose of the American Red Cross Basic Water Rescue course is to provide individuals, such as public safety personnel, aquatic fitness instructors, and childcare staff, with information and skills necessary to prevent, recognize, and respond to aquatic emergencies. This course will also prepare individuals for aquatic emergencies by teaching them how to protect themselves while assisting others. Come prepared to get wet! This course is required for organizations that want to bring groups of children or adults, for recreational swimming, to the Kyle Pool.
