

Gregg-Clarke Park

In the mid-1990s, the Gregg and Clarke families made sure that the community of Kyle had a park large enough to provide recreational activities and special events. Today, the Kyle Pool anchors the multi-use park and other amenities, including lit multiple softball and football fields, lit basketball and tennis courts*, a covered pavilion, covered playscapes, walking trails and wide open spaces.

*due to recent vandalism, the power to the lights at and around the tennis court have been disconnected. As soon as a solution to the vandalism is implemented, the power will be restored. This action is to prevent personal injury and additional property damages.
