

Street Department

Who makes up your street department?

The City of Kyle's Street Department is made up of six employees, which consists of four Street Technicians, a Foreman and one Crew Leader.

What does the street department do?

The Street Department is in charge of maintaining the upkeep of the city's streets, sidewalks, storm drains, and street signs. There are approximately 115 miles of public streets that are maintained. There are approximately 115 miles of public streets that are maintained. The crew also maintains 1,843 storm sewer inlets, 261 storm sewer outlets, and 750 storm sewer manholes.

We are here to serve.

To report any potholes, breakage in sidewalk, missing or damage street signs or issues with the storm drains please contact our office at 512-262-3024 or email us at [pw \[at\] cityofkyle \[dot\] com](mailto:pw@cityofkyle.com).

Who maintains our Street Lights?

Please contact the City of Kyle Public Works at 512-262-3024 with any concerns regarding street lights and we will direct these concerns to the appropriate entity.

Who maintains our traffic lights?

Currently, traffic lights inside the City of Kyle are on roadways maintained by the Texas Department of Transportation (TXDOT). To report a traffic light problem, please contact TXDOT at (512) 353-1061.
