These uses are closed to the general public, invitees and attendees are picked, chosen or asked to be at this event. Typical Private Uses are birthday parties, weddings, graduation parties and baby showers. There is not an open announcement to the public to attend and there are no admission charges, items for sale or products on display.

[Special Event, Public or Commercial Rentals](#)

These are uses that advertise, promote and/or encourage any and all to attend. These uses tend to be commercial or public in nature and the promoter or renter does not know a specific number of guests. These Special Event Rentals require additional information and possible review and approvals before issuance of permits. A Special Event Application is required and the Application can be downloaded from the attachments below or by [clicking here](#).

Use of the rooms in Kyle City Hall are reserved through the Executive Assistant and can be reached by calling (512)262-3920.
