Kyle Police Department

The City of Kyle is one of the fastest growing cities in Texas. As such, the Kyle Police Department is also growing. Our department is currently staffed with 37 sworn and 13 non-sworn personnel. Plans for expansion are on the horizon with plans to move into the JP 2 office off of Nance St. With this expansion our department will be able to consolidate our Patrol, CID and Administration divisions into one building with our IT and Communications expanding in the space left behind within our current building. Not only is the department adding personnel to all levels of their operation, but enhancements in communications, technology and training are also paramount in the department's strategic plan for the future. Our commitment and safety to the citizens of Kyle will always remain our top priority and we will strive to continue to provide the top level of service that you deserve.
