Lake Kyle is a managed conservation preserve and was acquired and developed with grant funding to preserve open space, water quality and natural habitat. Because of this, the park is open during posted schedules, has specific park rules to preserve the natural resources and ensure the park for future generations.

The Kyle Parks and Recreation Department maintains and operates Lake Kyle. The Kyle PARD Administrative Offices will be located at Lake Kyle ([700 Lehman Rd](#)). The park will open to the public when the offices are open.

The park is closed when the office is closed.

The park may be closed to the public during special events and activities, holidays and certain weather/grounds conditions and are subject to change from the posted hours, so please call (512-262-3939) for current hours of operation.

There are three (3) sections of Lake Kyle Park Complex that may be open or closed to the public:

1. The "Lake" is the actual body of water and includes fishing and any activities associated with the water;
2. The "Park" is the non-water areas and include the trails, pavilion, picnic, play ground, horseshoes & washers and all activities associated with the park;
3. The "Headquarters" is the Kyle Parks and Recreation Offices and restrooms.

Remember - At no time are any sections of Lake Kyle Park open to the public when the "Headquarters" is closed to the public. Please help us preserve the natural habitat for future generations to enjoy.

To view the current posted schedule for the three Lake Kyle sections and hours open to the public, please open the month in the "Supporting Documents" section below.
