

Road Closure and Other Emergency Information

Updated at 8:25am, January 30th:

All roads previously closed due to last week's rains are now open. However, with more rain forecast for this weekend and the ground still saturated we can expect that some roads may experience flooding again.

Do not enter flooded roadways and do not drive around barricades. **Turn Around, Don't Drown.**

Road conditions throughout Hays County can be found at KeepHaysInformed.com

Power outages can be reported to Pedernales Electric at [1-888-883-3379](tel:1-888-883-3379).

Down tree limbs in the public right of way can be reported to City of Kyle Public works at [512-262-3024](tel:512-262-3024)
