

Gregg-Clarke Park Sports Complex Trail

The new sports complex at [Gregg-Clarke Park, 1300 W. Center Street](http://www.cityofkyle.com/recreation/gregg-clarke-park-sports-complex-trail), has a 1/3 mile walking and jogging track around the fields. The trail is made of decomposed granite which is gentle on the joints while still providing an ADA-compliant surface. The 8' wide, limestone-lined trail is a third of a mile long, so three times around is a mile.

Access to this walking trail may be obtained by parking in the paved parking area on the south side off Center St, on the grassy parking area on the north side or near the covered pavilion/playscape and crossing over the bridge on the east side.
