

City Council Approved New Rates

The City Council approved rate increases for water and waste water utility accounts. The new rates will be implemented on October 1, 2013 and will appear on the bill due November 15, 2013. For additional information please see the Fee Schedule FY '14.

- An Electronic Processing fee of \$2.50 per transaction
- A Solid Waste Administration Fee of \$2.00 per account will appear on the bill due November 15, 2011.
