

## G-C Sports Complex

Located within Gregg-Clarke Park, the Sports Complex offers a wide variety of sporting activities. To name a few are football, soccer, baseball, softball, kickball, jogging, walking, ultimate Frisbee, kite flying, tennis, basketball, washers, horseshoes and swimming.

Parking is available for over 200 vehicles with access from Center Street and Gregg Drive.

All facilities, except swimming, area available year round. (Pool open Memorial Day through Labor Day) All facilities, except pool, are free to use on a first-come basis or you can rent the fields or courts. For more details on facility rentals, [click here](#).

Sports Leagues such as Flag football and Kickball use the Sports Complex. For details on these leagues, [click here](#).

Completed in June of 2011, the unique layout of the multi-use fields allow for three football or soccer games to be played on one night under the lights while the next night could have as many as four softball, baseball or kickball games going.

The 0.3 (1/3) mile track around the multi-use fields are constructed with crushed granite to cushion the walk, jog or run. For more details on the track/trail, [click here](#).

The state-of-the-art lighting system allows staff to remote control the lights and the glare off the field is so minor, movies in the park can take place at the same time softball games are being played.

A pedestrian bridge crossing the drainage creek allows easy access to playground, picnic tables, bbq grills and pavilion.

When combined with the other amenities in the park, the sports complex nearly completes Gregg-Clarke Park...but there are more things planned for the future.
