

Please remember that fireworks are prohited inside the Kyle City Limits

We want everyone to have a safe and fun New Year, unfortunately fireworks inside the Kyle city limits shouldn't be a part of the festivities. In addition to being a problem for families with young children and pets, they are also against the law.

Remember it is unlawful for any person to manufacture, assemble, store, transport, receive, keep, offer to another or to otherwise have possession with the intent to sell, use, discharge, cause to be discharged, ignite, detonate, fire or other wise set to action any fireworks of any description, except under special permit as authorized by the city or in the fire code adopted by the city. Any person in violation, in the city of Kyle, may be charged by a class C misdemeanor.

For the full Fireworks city ordinance is attached below.
