

Volunteers Sought for Pie Festival Committee

If you like pie, and you like festivals, the City of Kyle has a job for you.

The Kyle City Council has approved the creation of a committee to explore the creation of a City of Kyle Pie Festival. The first job of the Pie Festival Committee is to determine if there is support in the community for the event. Then, if the support is determined to be adequate, the committee will plan and serve as hosts for Kyle's first ever Pie Festival.

Kyle Mayor Pro Tem, Samantha Bellows-LeMense, has been appointed to lead the Pie Festival Committee. If you are interested in signing on to help bring this event to reality, please contact Mrs. LeMense by email at [samantha4kyle \[at\] gmail \[dot\] com](mailto:samantha4kyle@gmail.com) (subject: Pie%20Festival%20Committee) .
