

## Kyle Alert Network Makes Reporting Criminal Activity Easy

The Kyle Police Department is proud to announce the creation of the Kyle Alert Network, hosted by Citizen Observer. This network will allow citizens to send anonymous tips about possible criminal activity to the police and also offer information on criminal activity in your neighborhood.

To submit an anonymous tip regarding criminal activity, click on the link below that reads "Submit an Anonymous Tip" and simply fill in the free-text fields, or text **KYLEPD** and your message tip to **847411** from your wireless phone. Data rates from your phone carrier may apply. **(This system is not intended to replace emergency phone calls. If you ever have an emergency, ALWAYS dial 911!)**

Although Kyle Police personnel will have the capability to respond to your messages, they will be unable to identify you or your device that you are sending it from. Kyle Police personnel value information regarding criminal activity submitted by the public which often proves to be lifelines for criminal investigations. Thank you in advance for any information you can provide.

If you are interested in receiving important alerts broadcasted by the Kyle Police Department, use the link below that reads "Sign Up for Local Alerts" below to register.

Please check back soon for more additions to the Kyle Alert Network as we strive to strengthen our resources for fighting crime.
