

Conservation Rebate Program - City of Kyle Water Customers

This program will be ending on February 28, 2015. After this date we will not accept any further requests for rebates for this particular program. This could be your last chance to participate in this round of conservation rebates, please do not let the opportunity pass you by!

For complete details, instructions and forms on the Water Conservation Rebate Program for City of Kyle water customers and Monarch water customers living in Kyle, please click [here](#).
