

Citizen's Police Academy - Spring 2015

The Kyle Police Department is accepting applications for the Spring 2015 Citizens' Police Academy (CPA). This academy is designed for adult citizens who either reside in the City of Kyle or who own a business within the City.

The start date of the Spring Academy is **February 24, 2015**. The academy is 10 weeks long, plus a graduation. Classes are one night per week (Tuesday night's 6p-9p) plus two Saturdays.

This hands-on course will allow citizens a wonderful opportunity to learn about the operations of the Kyle Police Department. Attendees will also be allowed to ride out with a police officer once reaching a specified level of training. Once the graduate completes the course they are provided the opportunity to join the Citizens' Police Academy Alumni Association designed to maintain close working relationship with the police department and future CPA classes.

Attached below is the CPA application available for downloading. Once complete, please return to the police department. The deadline for applications is Monday, February 10, 2015.
