

Free KylePD Tips iPhone App

KylePD Tips

The Kyle Police Department and Tip411 presents a Free iPhone app to make submitting an anonymous tip quick and even easier.

KylePD Tips app provides citizens with the ability to submit anonymous tips (with a photo attachment option) to the Kyle Police Department. The application also features an anonymous two way interaction between the tipster and Kyle PD.

Search "KylePD Tips" on the iPhone App Store.

Visit www.citizenobserver.com for information about Tip411 and how to text or email your anonymous tip as well.

This system is NOT intended to replace emergency phone calls. If you ever have an emergency, ALWAYS dial 911!

Please view the attached flyer below.
