Subject: Re: Thank you

Dear George Green,

Thank you very much for the kind words about our police officers, especially Traffic Officer Dago Pates. He and the other officers take a lot of pride in helping protect our children as they travel to and from school each day.

Likewise, I would like to thank you for the service that you do to help in that matter as well.

I will pass this message along to Officer Pates and his supervisor, and I will forward this to the Human Resources department so that it may be placed in his personnel file.

Yours Truly,

Jeff Barnett

Chief of Police

, I wish to thank you & your officers for keeping our community safe . I especially commend officer Dago Pates . I do the crossing guard at Negley & today he did patrol . This morning he had some violators then this afternoon He nailed four within the space of about forty minutes even sitting in plain sight . I know the officers can't be there every day but maybe word will get around that inattention will get attention .
Many thanks again , sincerely , George Greene
