We're not mind readers – take the survey!

Decisions about how to prioritize spending, how Kyle will look in the future and areas where we can improve service are important. Right now, all Kyle residents age 16 and over have the opportunity to weigh in and share their opinions about Kyle. And since we're not mind readers, we need folks to take the survey.

But don't delay! The Kyle Community Survey is wrapping up. Don't miss your chance to tell us what you think. We need to hear from as many people as possible. It only takes a few minutes and will provide the city with important feedback as we move forward.

The survey is in English and Spanish. Complete it online or pick up a copy at Kyle City Hall or the Kyle Public Library.

Visit www.cityofkyle.com to take the Kyle Community Survey. Be heard!
