**DEVELOPMENT AGREEMENT  
UNDER SECTION 45.035, TEXAS LOCAL GOVERNMENT CODE**

This Development Agreement Under Section 45.035, Texas Local Government Code is entered between the City of Kyle, Texas (the "City") and the undersigned property owner(s) (the "Owner") (the "Agreement"). The term Owner shall include all owners of the Property. The City and the Owner are collectively referred to as the Parties.

**WHEREAS**, the Owner owns a parcel of real property in Hays County, Texas, which is more particularly described in the attached Exhibit "A" (the "Property") that is appraised for ad valorem tax purposes as land for agricultural, wildlife management, or timber land under Chapter 23, Tax Code;

**WHEREAS**, the City has begun the process to institute annexation proceedings on all or portions of Owner's Property;

**WHEREAS**, under Section 43.035, Texas Local Government Code, the City is required to offer to make a development agreement with the Owner that will provide for the continuation of the extraterritorial status of the area and authorize the enforcement of all regulations and planning authority of the City that do not interfere with the use of the area for agriculture, wildlife management, or timber;

**WHEREAS**, Section 43.035 provides that the restriction or limitation on the City's annexation of all or part of the Property under this Agreement is void if the Owner files any type of subdivision plat or related development document for the Property, regardless of how the area is appraised for ad valorem tax purposes;

**WHEREAS**, the Owner desires to have the Property remain in the City's extraterritorial jurisdiction, in consideration for which the Owner agrees to enter into this Agreement; and

**WHEREAS**, this Agreement is entered into pursuant to Sections 43.035 and 212.172, Texas Local Government Code;

**NOW, THEREFORE**, in consideration of the mutual covenants contained herein, the parties hereto agree as follows:

**Section 1. Extraterritorial Jurisdiction Status of Property.** The City agrees that the Property shall remain in the City's extraterritorial jurisdiction (the "ETJ") and the City shall discontinue the pending annexation proceedings as to the Property. The City further agrees that it shall not annex the Property during the term of this Agreement, subject to the terms and conditions of this Agreement.

**Section 2. Owner's Obligations.** In consideration of the City's agreement not to annex the

Property and as a condition of the Property remaining in the City's ETJ, the Owner covenants and agrees to the following:

- (a) The Owner shall use the Property only for agriculture, wildlife management, and/or timber land use, as defined by Chapter 23 of the Texas Tax Code, that are existing on the Effective Date of this Agreement, except for single-family residential use existing on the Effective Date or as otherwise provided by this Agreement, without the prior written consent of the City. The Owner's use of the property as of the Effective Date includes the following:
  - (1) Raising and selling of livestock, including pigs, hogs, and cattle.
  - (2) The planting, cultivation, harvesting, and destruction of crops, plowing of the land and application of herbicides, insecticides, fertilizers, and other chemical performed by ground rigs, airplanes, and helicopters; and
  - (3) Storage and selling of grains, crops, chemicals, fertilizer, and feed.
- (b) The Owner shall not subdivide the Property, or file for approval of a subdivision plat, site plan, or related development document for the Property with Hays County or the City until the Property is annexed into and zoned by the City; provided that the Property may be subdivided into two parcels that are greater than five acres in size if required by a lender to finance the construction of a new single family home or other building or structure that is authorized to be constructed on the Property under Section 2(c).
- (c) The Owner shall not construct, or allow to be constructed, any building or structure on the Property that requires a building permit until the Property is annexed into and zoned by the City. Accessory structures authorized under the Agricultural District (District "A") (including but not limited to barns, sheds, fences, and corrals) and buildings or structures that are related to and necessary for the use of the Property as authorized under Section 2(a) (excluding new single family residences, except as authorized in this Section 2(c)) are exceptions to this Section 2(c). One additional new single family residence may be constructed on the Property if the residence is to be occupied by family members of the Owner who participate in the ownership or operation of the agricultural, timberland, or wildlife management uses of the Property. Proof of qualification for this exception must be presented at the time of application for a building permit.
- (d) The City's Agricultural District (District "A") zoning regulations shall apply to the Property, and in addition to the uses authorized under District "A", the Property may also be used for wildlife management or timber land, as defined by Chapter 23 of the Texas Tax Code, if such uses existed on the Effective Date of this Agreement. Structures that exist on the Property on the Effective Date shall not be subject to setback requirements. Fences shall not be subject to setback requirements. The City's building codes and regulations shall apply to the Property except as provided otherwise in this Section 2(d). Any buildings or structures constructed on the Property after the Effective Date shall be constructed

in compliance with the regulations for the Agricultural District (District "A") and applicable building codes and regulations, provided that building permits and related inspections shall only be required for the construction of a new single family residence and additions to an existing single family residence that are authorized to be located on the Property under this Agreement. Building permits and related inspections shall not be required for accessory structures related to the existing use of the Property.

### **Section 3. Development and Annexation of Property.**

- (a) The following occurrences shall be deemed the Owner's petition for voluntary annexation of the Property, and the Property may subsequently be annexed at the discretion of the City Council:
  - (1) The filing of any application for plat approval, site plan approval, building permit (excluding building permit applications for construction of a new single family residence or additions to an existing single family residence authorized to be located on the Property under Section 2), or related development document for the Property, or the commencement of development of the Property, except as specifically authorized herein.
  - (2) The Owner's failure to comply with Sections 2(a), 2(b), or 2(c).
  - (3) The Property is no longer appraised for ad valorem tax purposes as land for agricultural, wildlife management, or timber land under Chapter 23, Texas Tax Code, or successor statute, unless the Property is no longer appraised for such purposes because the Legislature has abolished agricultural, wildlife management, or timberland exemptions, provided that the Owner is in compliance with Section 2.
  - (4) The filing for voluntary annexation of the Property into the City by the Owner.
  - (5) The expiration of this Agreement.
- (b) The Owner agrees that annexation initiated due to an occurrence under Section 3(a) shall be voluntary and the Owner hereby consents to such annexation as though a petition for such annexation had been tendered by the Owner. Upon annexation, municipal services shall be provided to the Property in accordance with the adopted municipal services plan.

**Section 4. Application of City Regulations.** Pursuant to Section 43.035(b)(1)(B), Texas Local Government Code, the Property is subject to all of the City's regulations, as they are amended from time to time, and planning authority that do not materially interfere with the use of the Property for agriculture, wildlife management, or timber, in the same manner the regulations are enforced within the City's boundaries and the Owner acknowledges and agrees that the City is hereby authorized to enforce said regulations and planning authority except as

specifically provided otherwise herein; provided that fees that are applicable to properties located within the ETJ shall apply to the Property. A City regulation shall be deemed to materially interfere with the use of the Property for agriculture, wildlife management, or timber if the regulation prohibits one of the uses of Property listed in Section 2(a) or a use authorized by Chapter 23, Texas Tax Code; provided that the City may regulate hunting to the extent authorized by Chapter 229, Texas Local Gov't Code. It is the intent of the parties that the enforcement of City regulations during the term of this Agreement does not prevent the Owner from continuing the Owner's agricultural operation under current practices that are compliant with applicable state and federal law or under future practices that occur due to changes in technology, methods, or applicable state or federal law and that are compliant with applicable state and federal law.

**Section 5. Term.** The term of this Agreement (the "Term") is fifteen (15) years from the Effective Date. The Agreement may be extended for two additional fifteen year terms upon the agreement of both parties and approval by the City Council

**Section 6. Vested Rights Claims.** This Agreement is not a permit for the purposes of Chapter 245, Texas Local Government Code. The Owner hereby waives any and all vested rights and claims that the Owner may have under Section 43.002(a)(2) and Chapter 245 of the Texas Local Government Code that would otherwise exist by virtue of any actions Owner has taken in violation of Section 2 herein. The Owner further waives any and all vested rights and claims that the Owner may have under Section 43.002(a)(2) and Chapter 245 of the Texas Local Government Code that would otherwise exist by virtue of any plat or construction the Owner may initiate following the expiration of this Agreement and the institution of annexation proceedings by the City; provided that the City initiates annexation proceedings within one year following the expiration of this Agreement.

**Section 7. Authorization.**

- (a) All parties and officers signing this Agreement warrant to be duly authorized to execute this Agreement.
- (b) The Owner acknowledges that each and every owner of the Property must sign this Agreement in order for the Agreement to take full effect. The failure of each and every owner of the Property to sign this Agreement at the time of approval and execution by the City shall result in the Agreement being void, and the City may, within its discretion, annex the Property in accordance with applicable law.

**Section 8. Notice.** Any person who sells or conveys any portion of the Property shall, prior to such sale or conveyance, give written notice of this Agreement to the prospective purchaser or grantee, and shall give written notice of the sale or conveyance to the City. Furthermore, the Owner and the Owner's heirs, successor, and assigns shall give the City written notice within 14 days of any change in the agricultural exemption status of the Property.
