

**FIRST AMENDMENT TO BLANCO RIVER RANCH  
(Phase One Residential Area)  
DE-ANNEXATION AND DEVELOPMENT AGREEMENT**

This First Amendment to Blanco River Ranch (Phase One Residential Area) De-Annexation and Development Agreement (this "Amendment") is entered into effective as of October 6, 2020 (the "Effective Date"), between the City of Kyle, Texas, a Texas home-rule city (the "City"), HMBRR Development, Inc., a Texas Corporation ("HMBRR Inc."), HMBRR, LP, a Texas limited partnership ("LP #1"), and HMBRR LP #2, a Texas limited partnership ("LP #2") (individually "Assignee" and collectively, the "Assignees"). The City and the Assignees are sometimes hereinafter referred to singularly as a "Party" and collectively as the "Parties".

**RECITALS**

**WHEREAS**, the City and Blanco River Ranch Properties, LP, entered into the Blanco River Ranch (Phase One Residential Area) De-Annexation and Development Agreement (the "Development Agreement") relating to 858.7 acres in Hays County, Texas (the "Property"), effective as of May 6, 2016, and recorded as Document No. 17018505, Official Public Records of Hays County, Texas;

**WHEREAS**, Section 12.05(b) of the Development Agreement provides that Blanco River Ranch Properties, LP, may assign its rights and obligations under the Development Agreement to Hanna/Magee LP #1 ("Hanna/Magee"), a Texas limited partnership, or to an entity controlling, controlled by or under common control with Hanna/Magee;

**WHEREAS**, HMBRR Inc., HMBRR, LP, and HMBRR LP #2 are entities controlling, controlled by, or under common control with Hanna/Magee;

**WHEREAS**, on September 20, 2017, Blanco River Ranch Properties, LP, assigned all of its rights and obligations under the Development Agreement to the Assignees in the Assignment and Assumption of Rights and Obligations Under Blanco River Ranch (Phase One Residential Area) De-Annexation and Development Agreement (the "Assignment"), recorded as Document No. 17034183, Official Public Records of Hays County, Texas, and a copy of the executed Assignment was provided to the City;

**WHEREAS**, subsequent to the Assignment, the Assignees are properly considered the Owner of the Property, pursuant to the terms of the Development Agreement;

**WHEREAS**, on July 8, 2020, the City and Owner, along with several additional parties, entered into the FM150 Water Facilities Service, Financing, and Construction Agreement (the "Water Facilities Construction Agreement"), effective as of July 7, 2020, relating to the construction of water facilities relating to the provision of water service to the Property; and

**WHEREAS**, the City and the Owner desire to amend certain provisions of the Development Agreement to clarify issues relating to the construction of certain water and wastewater facilities and update the notice provisions, as more particularly set forth herein.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree to amend the Development Agreement as follows:

### **AGREEMENT**

1. Section 3.04 of the Development Agreement, pertaining to Inspections, is hereby amended to read as follows:

Following City approval of each plat of a portion of the Property and prior to the commencement of construction, Owner will give written notice to the Director of Public Works in order to allow the City to assign an inspector. Within the City's incorporated city limits, the City will inspect street, water and wastewater, and drainage Public Improvements and collect related inspection fees. Within the City's ETJ, the City will inspect water and wastewater Public Improvements only and collect related inspection fees. City will inspect drainage infrastructure in the City's ETJ, as necessary. Owner shall not be liable or required to reimburse the City for inspection costs relating to the City's inspection of street and drainage Public Improvements in the City's ETJ.

2. Section 5.03 of the Development Agreement, pertaining to Permanent Water Service, is hereby amended to read as follows and Exhibit "O" is formally integrated into and made part of the Development Agreement:

(a) The City and Owner have entered into a Water Facilities Construction Agreement with several participants, including Kyle 150 LP ("Kyle 150"), to construct a ground storage tank and an elevated storage tank (collectively, the "Anthem Storage Tanks") to serve the Property. The Water Facilities Construction Agreement also provides that, in connection with the construction of the Anthem Storage Tanks, a water line from the Anthem Storage Tanks to the Point of Delivery with the City's Water System along FM 150 (the "FM 150 Water Main"), and a water line from the Anthem Storage Tanks to a Point of Delivery on the Property (the "Water Return Line") will be constructed, all as depicted on Exhibit L. On behalf of the participants, Kyle 150 has or will bid and award the necessary contracts relating to the construction of facilities, shall work with the City to facilitate all payments to the contractors pursuant to the contracts, and convey such facilities to the City upon completion and inspection. The Water Facilities Construction Agreement is attached as **Exhibit "O"**.

(b) Provided that Kyle 150 completes the construction of the Anthem Storage Tanks, the FM 150 Water Main, and the Water Return Line (collectively, the "Anthem Shared Water Facilities") as contemplated in the Water Facilities Construction Agreement, Owner agrees to pay its pro-rata share of the cost of the Anthem Storage Tanks, and the Water Return Line, as established in the Water Facilities Construction Agreement (the "Phase One Cost Share"), subject to Owner's right to reimbursement as provided in Section 7.05, below. If Kyle 150 fails to complete the construction of the facilities contemplated in the Water Facilities Construction Agreement, the City will have the right, but not the obligation to assume the construction contracts and complete the projects contemplated in the Water Facilities Construction Agreement.

(c) The City confirms that by satisfying its obligations under the Water Facilities Construction Agreement, Owner shall be entitled to receive water service from the City to the Property (in an aggregate amount not to exceed 2,100 LUEs) as contemplated under Section 4.01 of the Water Facilities Construction Agreement and, except for internal water infrastructure, shall not be required to finance or construct any additional facilities relating to the provision of water service to the Property.

(d) If the Anthem Shared Water Facilities are not completed as provided in Subsections (a) and (b) by January 1, 2022, the City shall determine whether or not it will assume any construction contracts as provided in Sections 1.08 and 2.12 of the Water Facilities Construction Agreement. If the City does not elect to assume the applicable construction contracts to complete the necessary water facilities, Owner may proceed with the design and construction of alternative facilities consisting of a 12-inch water line to be constructed in the FM 150 right-of-way from a point of connection to the City's existing 12-inch water line at the intersection of FM 150 and Old Stagecoach Road to a booster pump station to be constructed at the location depicted on the Water Facilities Plan (the "Alternative Facilities"). The proposed booster pump station will include a connection to allow the future extension of the 12-inch water line to the west and the water line will also be extended to the south, to the site of a future, approximately 580,978 gallon ground or elevated storage tank to be constructed at the location depicted on the Water Facilities Plan. If these Alternate Facilities are designed and constructed by Owner, the City agrees that Owner's costs will be reimbursed to Owner as provided in Section 7.05, below.

(e) If Kyle 150 fails to perform and the City decides not to assume any construction contract(s) entered into pursuant to the Water Facilities Construction Agreement relating to additional storage facilities to serve the Property, the Owner may proceed to design and construct an alternative storage facility (the "Alternative Required Water Storage Facility") consisting of an elevated or ground storage tank designed to

hold approximately 300,000 gallons. If the Alternative Required Water Storage Facility is designed and constructed by Owner, the City agrees that Owner's costs will be reimbursed to Owner as provided in Section 7.05, below.

3. Section 5.04 of the Development Agreement, pertaining to Initial Wastewater Service, is hereby amended to read as follows:

The City agrees to provide 680 LUEs of initial wastewater through the City's existing 8-inch gravity main located in Old Stagecoach Road (the "Gravity Main") as depicted on the Wastewater Facilities Plan, subject to Owner's construction of any required Internal Facilities and the Connecting Facilities to the gravity main. No additional facilities will be required for this initial 680 LUEs of wastewater service. The City confirms that 680 LUEs of capacity are available to serve the Property through the Gravity Main and agrees to reserve 680 LUEs in the Gravity Main for Customers within the Property. If for any reason the City cannot provide 680 LUE's of capacity in the Gravity Main, the City will provide pump-and-haul wastewater service as needed for connections within the Property until the Elliot Branch Interceptor is completed and placed into service. Pump-and-haul service will be provided by the City contracting to have all wastewater that is delivered from Customers within the Property to the Phase One Lift Station pumped from the Phase One Lift Station wet well and transported off the Property for treatment and disposal. All costs associated with this pump-and-haul service will be borne by the City; however, the Customers within the Property receiving wastewater service through the pump-and-haul program will be required to pay all usual and customary City wastewater service fees and rates.

4. Section 5.05 of the Development Agreement, pertaining to Permanent Wastewater Service, is hereby amended to read as follows:

To provide wastewater service in excess of 680 LUEs, the City agrees to complete the construction of an appropriately sized gravity interceptor along Elliot Branch as depicted on the Wastewater Facilities Plan (the "Elliot Branch Interceptor") on or before June 30, 2022. In order to connect to the Elliot Branch Interceptor, Owner has constructed a lift station sufficient to serve 1,814 LUEs (the "Phase One Lift Station") as depicted on the Wastewater Facilities Plan and agrees to construct a six-inch force main from the Phase One Lift Station to the Elliot Branch Interceptor as depicted on the Wastewater Facilities Plan. Owner confirms that the Phase One Lift Station was constructed on a site that is sufficient to accommodate the expansion of the Phase One Lift Station to serve up to an additional 2,200 LUEs in the future. The City acknowledges that Owner is relying on the City's timely completion of the design of, easement acquisition for, and construction of the Elliot Branch Interceptor in order to make permanent wastewater service in excess of 680 LUEs available as and when required for Customers within Phase One and/or for the development of the Property. Accordingly, the City agrees

that, if the Elliot Branch Interceptor is not complete and available to provide wastewater service to the Property on or before June 30, 2022, the City will provide pump-and-haul wastewater service as needed for connections within the Property until the Elliot Branch Interceptor is completed and placed into service. Pump-and-haul service will be provided by the City contracting to have all wastewater that is delivered from Customers within the Property to the Phase One Lift Station pumped from the Phase One Lift Station wet well and transported off the Property for treatment and disposal. All costs associated with this pump-and-haul service will be borne by the City; however, the Customers within the Property receiving wastewater service through the pump-and-haul program will be required to pay all usual and customary City wastewater service fees and rates.

5. Section 6.11 of the Development Agreement, pertaining to Common Lot Rock Wall Replacement, is hereby created to read as follows:

Section 6.11 **Common Lot Rock Wall Replacement**. In the event the City is required to undertake any repairs on water or wastewater lines at locations where such lines are located underneath a 6-foot rock or masonry wall constructed by the Owner, the City shall remove the portion of the wall as necessary for the repair. The City shall not be responsible for the repair or replacement of such wall; repair or replacement of the wall shall be the responsibility of either the Owner or the home owners association.

6. Section 7.02 of the Development Agreement, pertaining to Impact Fees, is hereby amended to read as follows:

Section 7.01 hereof notwithstanding, for the first 300 lots platted out of the Property, the water and wastewater Impact Fees will be those fees in effect as of the Vesting Date, \$2,216 per LUE for wastewater and \$2,115 for water, as provided in this Section. Owner pre-purchased 300 wastewater Impact Fees vested at the amount of \$2,216 per LUE, totaling \$664,800, on March 28, 2018, and agrees to purchase 400 additional wastewater Impact Fees within 30 days of the execution of this Amendment at the amount of \$2,826 per LUE, with such fees corresponding to the next 400 platted lots on the Property. After the water and wastewater Impact Fees described in the preceding sentences of this Section are applied by Owner, the Impact Fees payable for the remainder of Phase One will be adjusted to the City's Impact Fees in effect at the time of City approval of each subsequent final plat out of the Property and will be payable by the homebuilders at the time of the City's issuance of each residential building permit for lots within those platted sections, as required by Section

7.01. The Impact Fees prepaid by Owner under this Section will not be eligible for reimbursement out of PID bonds.

7. Section 7.05 of the Development Agreement, pertaining to City's Allocation of Net PID Bond Proceeds is hereby amended to read as follows:

The City will be entitled to receive 10% of the net proceeds of the PID bonds issued by the City for Public Improvements benefitting Phase One (the "*City Allocation*") either in the form of a payment at the time of funding of such bond issue or, if Owner advances costs of water and wastewater treatment plant Public Improvements including costs for the Phase One Cost Share of the Anthem Storage Tanks, the FM 150 Water Main, the Water Return Line, the Alternative Facilities, and/or the Alternative Required Water Storage Facility, as defined in Section 5.03, as provided below in this Section 7.05, through Owner's advancing costs of or completion and conveyance of such Public Improvements to the City at no cost to the City.

(a) The City agrees to defer the City Allocation that would otherwise be payable to the City out of the proceeds of the first issuance of PID bonds (the "*Deferred Initial Allocation*") and, accordingly, no portion of the proceeds of that first bond issuance will be paid to the City; however, at the time of second issuance of PID bonds, the City will, subject to subsection (b), below, receive the City Allocation payable out of the proceeds of those bonds, plus an amount equal to the Deferred Initial Allocation, subject to Subsection (c), below.

(b) At the time of the second issuance of PID bonds, the City will be entitled to receive a City Allocation of \$1,500,000 in City Allocations for use by the City for water treatment and wastewater treatment plant Project Improvements.

(c) After the City has received \$1,500,000 in City Allocations, the City Allocation(s) out of the next PID Bond issuance or issuances will be paid to Owner to reimburse Owner for the Phase One Cost Share of the Anthem Storage Tanks, the FM 150 Water Line, and the Water Return Line, if advanced by Owner as provided in Section 5.03(b), and, if applicable: the Alternative Facilities described in Section 5.03(d) and, if required, the Alternative Required Water Storage Facility described in Section 5.03(e).

(d) After Owner has been reimbursed for the Phase One Cost Share of the Anthem Storage Tanks, the FM 150 Water Line, and the Water Return Line, the Alternative Required Water Storage Facility, and the Alternative Facilities, the City will utilize the next City Allocation(s) paid to the City for reimbursement of the City's costs of construction of the Elliot Branch Interceptor and, thereafter, for the reconstruction of Old Stagecoach Road as a two lane road with bike lane within existing right of

way from FM 2770 to the roundabout at the entrance of Phase One and for related intersection improvement.

(e) After the City's completion of the Old Stagecoach Road improvements described in (d), above, additional City Allocations may be utilized by the City for any other public purpose. If, however, the County funds the reconstruction of Old Stagecoach Road as described in Subsection (d), then the portion of the City Allocation that would otherwise have been utilized for that reconstruction may be utilized by the City for any other public purpose.

8. Section 12.05(b) of the Development Agreement, pertaining to Owner Assignment of Agreement, is hereby amended to add the following language:

The City expressly approves and consents to any assignment of rights and obligations under this Agreement held by Hanna/Magee, or by an entity controlling, controlled by or under common control of Hanna/Magee, to any other entity controlling, controlled by or under common control of Hanna/Magee. Upon request of the City, Hanna/Magee shall provide written evidence of any such assignment.

9. Section 12.06 of the Development Agreement, pertaining to Notice, is hereby amended to read as follows:

Any notice given under this Agreement must be in writing and may be given: (i) by depositing it in the United States mail, certified, with return receipt requested, addressed to the Party to be notified and with all charges prepaid; or (ii) by depositing it with Federal Express or another service guaranteeing "next day delivery", addressed to the Party to be notified and with all charges prepaid; (iii) by personally delivering it to the Party; or (iv) by facsimile or email with confirming copy sent by one of the other described methods of notice set forth above. Notice by United States mail will be effective on the earlier of the date of receipt or three days after the date of mailing. Notice given in any other manner will be effective only when received. For purposes of notice, the addresses of the Parties will, until changed by notice as provided in this Section, be as follows:

City:

City of Kyle  
Attn: City Manager  
100 W. Center Street  
Kyle, TX 78640

With a copy to:

The Knight Law Firm

Attn: Paige H. Saenz, City Attorney

## EXHIBIT “D”

# BLANCO RIVER RANCH LAND USE AND DEVELOPMENT STANDARDS

1. Table A: Land Use Chart:

**Single-Family and Garden Homes/Cluster**

USE	Lot Width*	Minimum Lot Size	Minimum Living Area SF	Total Lots/Units		Min/Max %
Single-Family	50	5500	1200	540	Lots	max
Single-Family	55	5750	1200	460	Lots	max
Single-Family	60	7200	1500	600	Lots	max
Single-Family	70-80	9000	2000	350	Lots	min
Garden Homes/Cluster			1000	150	Units	max
<b>Total</b>				<b>210</b>	<b>0</b>	<b>100%</b>

\*Lot Width measured at front Building Line; non-single family or common areas lots not subject to Table A.

2. Site Area = 858.7 Acres
3. Single-family lot width distribution will be in accordance with Table A.
4. **Exhibit “C”** - Concept Plan: This plan illustrates the proposed general layout of Phase One.
5. Phase One will be limited to 2,100 single-family lots and garden homes/cluster units.
6. Impervious Cover on each lot will be limited to 60% of the lot area.
7. Phase One will contain a minimum of 100 acres of parkland, amenity center lots, trail corridors and open space.
8. A 6-foot decorative masonry wall will be built along the rear or sides of homes backing or siding to collector roads (roads without lots fronting on them) within a 25-foot landscaped parkway (10-feet of right-of-way with a 15-foot Wall and Landscape Easement/Lot).
9. Over three miles of joint use 8-foot and 10-foot concrete trails within 10-foot to 20-foot Trail Corridor/ROW/Easement will be provided within Phase One as shown on **Exhibit “J”**. Additional native trails (not ADA compliant) will be provided within open space and floodplain areas, as shown conceptually on **Exhibit “J”**, subject to topographic and drainage constraints.
10. No homes will front on collector roads and all street-facing sides of homes abutting

collector roads will be 100% masonry, excluding doors, windows, etc. Masonry will be defined as natural stone, brick and/or stucco. The stucco percentage of any structure will not exceed 50%.

11. **Garage Placement:** For lots less than 60 feet wide (or less than 70 feet wide on corner lots), residential street-facing garages will be located no closer to the street than five feet in front of the dwelling or roof of a covered porch, with such dwelling or porch structure being not less than seven feet wide for all portions of the structure adjacent to the garage. For all other lots, residential street-facing garages will be located no closer to the street than the dwelling. The minimum front building setback will be 20 feet from the property line (25 feet for street-facing garages). For purposes of this provision on garage placement, lot width will be determined based on the width of the lot at the front building setback line of the lot for all lot sizes. Measurement of corner lots will be ten feet wider to account for a 15-foot street side setback.
  
12. All building fronts will have a minimum of three architectural features. The following are examples of the types of architectural features that will be utilized: horizontal off-sets, recesses or projections; porches; breezeways; porte-cocheres; courtyards; awnings; canopies; alcoves; recessed entries; ornamental cornices; display or other ornamental windows; vertical "elevation" off-sets; peaked roof forms; arches; outdoor patios; architectural details such as tile work or moldings integrated into the façade; integrated planters or wing walls; accent materials; and varied roof heights.
  
13. **Building Setback Table:**

Interior Lot Width	Corner Lot Width	Side Yard Setback	Rear Yard Setback *	Front Garage Setback	Minimum Front Setback	Street Building Setback	Side Street Setback
50	60	5	15	25	20	15	20
60	70	5	20	25	20	15	20
70	80	5	20	25	20	15	20
80+	90	7.5	20	25	20	15	20

\*Open and Covered Porches may encroach up to 10 feet into the rear yard setbacks. Additionally, any lot located within a curved street that is larger will be considered the same lot size as similar lot sizes in the vicinity.

14. The street lighting plan for Phase One will require minimum spacing of 500 feet along all collector and public streets. Decorative street lighting will be permitted but not required. The design of any decorative street lighting will be subject to approval by the City. Any decorative street lighting will be maintained by the homeowners association for Phase One. All street lighting will utilize energy-efficient LED light fixtures.
  
15. Decorative street signs will be permitted. Any decorative street signs will be subject to approval by the City.

16. The first primary subdivision signage will be located at the main entry to Phase One at the intersection of Old Stagecoach Road and the Spine Road and may include a maximum of 250 square feet of signage or graphics. The second primary subdivision signage will be located at the intersection of Old Stagecoach Road and Three Forks Drive and will be stone or masonry and such sign may be a maximum of 200 square feet in size, with a maximum of 30 square feet of signage or graphics. Tertiary entrance signs will be stone or masonry and each sign may be a maximum of 100 square feet in size, with a maximum of 30 square feet of signage or graphics.
17. Marketing signage/Burma Shave signs will be allowed within Blanco River Ranch within rights-of-way of the Spine Road and collector roads. Marketing signage, as updated and modified from time to time, will be consistent throughout Blanco River Ranch. The approximate size and quantity of permitted marketing signs is shown on **EXHIBIT "I"**.
18. Section 41-136(C) - Lot Width depth to average lot width ratio of the City's Subdivision Ordinance is waived. Lot width will be measured at the front building line.
19. Section 41-137(D) of the Subdivision Ordinance will be amended with respect to Phase One as follows: Offset intersection spacing along collector, local and residential streets will be a minimum of 125 feet measured from roadway street centerline to roadway centerline. Such intersection spacing along arterials will be a minimum of 180 feet.
20. Flag lots will be permitted within Phase One. Flag lots will be a minimum of 20 feet at the right-of-way intersection and substantially perpendicular to the right-of-way.
21. Block lengths may generally not exceed 1,000 feet within Phase One; however, block lengths that exceed this criteria will be permitted when the block includes creeks, natural drainage ways, open space and steep topography.
22. Cul-de-sac maximum lengths may not exceed 800 feet measured from the center of the turnaround to centerline of the connecting road and a maximum of 30 units may be serviced from each cul-de-sac; however, cul-de-sac lengths that exceed this criteria for cul-de-sac lengths and serviced units when the land serviced by the cul-de-sac is restricted by creeks, natural drainage ways, steep topography and external property boundaries. In such cases, the maximum number of units served may not exceed 50 units.

## 23. Phase One Roadway Cross Sections:

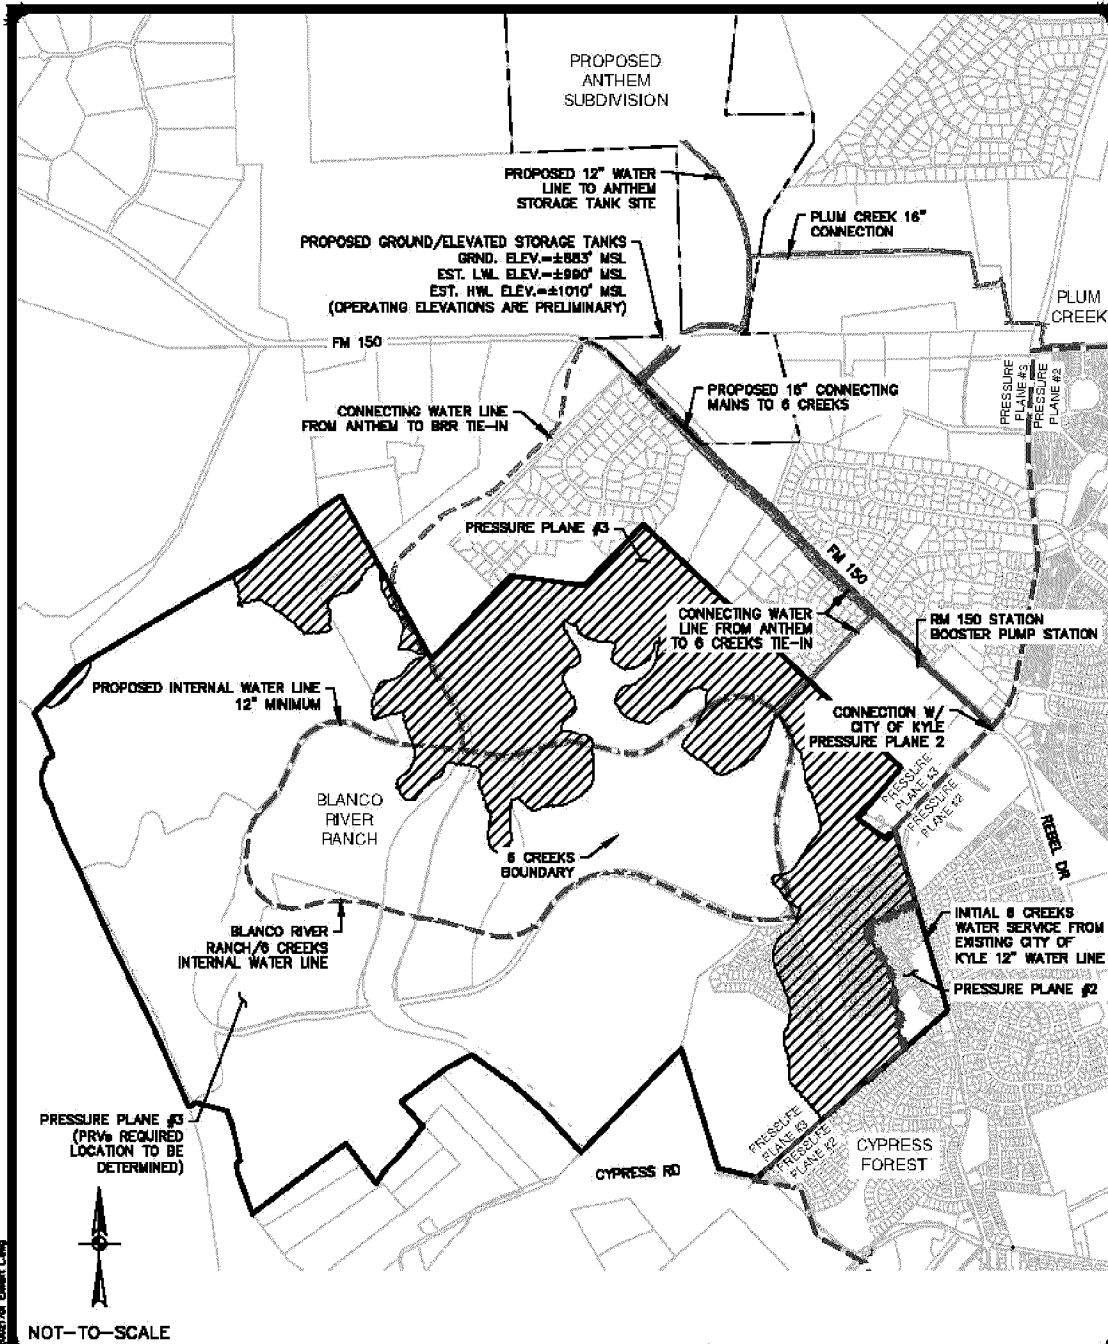

Standard Category	Pavement Width (in Feet)	Right-of-Way Width (in Feet)
Residential Lane	30' FOC-FOC	50'
Residential Collector (W/ Bike Lanes)	37' FOC-FOC	60'
Undivided Arterial (Internal Loop w/ Bike Lanes)	61' FOC-FOC	85'
Divided Arterial (Internal Loop w/ Bike Lanes)	2 at 32' FOC - FOC	114'
Major Thoroughfare (FM 150)	To be Determined	Varies - 120' Minimum

## 24. Site and Architectural components for garden home/cluster site(s):

- A. Maximum Number of Detached Units: 150 Units
- B. Access Drives: Driveway access from collector roads to residential units is prohibited. Internal private drives will be a minimum of 26 feet wide, with curb and gutter measured from face of curb to face of curb.
- C. Residential Setbacks: Front building setbacks will be a minimum of 15 feet from back of curb. Side building separation will be a minimum of 10 feet. When the rear of one unit is immediately adjacent to the side of another unit, the minimum setback will be 10 feet. Rear building separation, when the rear yards of two units are immediately adjacent to one another, will be a minimum of 20 feet. Patios (covered or uncovered), decks and eave overhang are not included in the determination of rear building separation. A minimum of seven foot clear zone between building roof lines will be provided.
- D. Sidewalks: A four foot sidewalk is required along all public streets. No sidewalks are required along internal private drives.
- E. Units may have single-car garages with driveways at least 18 feet long and nine feet wide. Garages will be setback at least 20 feet from the back of curb. Garages may be flush with the primary façade as long as primary façade is located 20 feet from the back of curb. Porches will be considered part of the primary façade as long as they are a minimum of seven feet wide and six feet deep).
- F. Lighting: Street lighting is required along all public streets, but is optional along interior private drives within Phase One.
- G. Minimum landscape requirements for garden homes/cluster residential structures will be two two-inch caliper significant trees such as oak, elm, pecan, walnut, hickory, cherry, cypress, redbud and any rare species, with diameter measured 18 inches above finished grade immediately after planting; three one-gallon shrubs; three five-gallon shrubs; and turf grass or an alternative material as defined in this section from the front property line to the front two corners of the structure and a minimum coverage area extending three feet from the slab/foundation to protect against water runoff from the roof dripline. If lawn grass is not used in this area, rain gutter systems will be required. One three-

and-one-half inch caliper tree may be substituted for two two-inch trees, if the tree is planted in the front yard. Existing trees and shrubs that are retained in healthy condition will be counted toward fulfillment of these requirements.

### FM 150 WATER FACILITIES SERVICE, FINANCING, AND CONSTRUCTION AGREEMENT

This Agreement is between Anthem Municipal Utility District ("*Anthem MUD*"); Kyle 150, LP ("*Kyle 150*"), a Texas Limited Partnership; HMBRR Development, Inc., a Texas Corporation ("*HMBRR*"), the City of Kyle, a Texas home rule municipality (the "*City*"), Kyle Mortgage Investors, LLC, a limited liability company ("*Kyle 57*"), David Beseda ("*Beseda*"), and Covey Fund I, LP, a Texas limited partnership ("*the Covey Fund*") (HMBRR, Kyle 57, Beseda, and the Covey Fund are sometimes referred to in this Agreement as "*Water Return Line Users*"). The City, Anthem MUD, Kyle 150, and the Water Return Line Users are sometimes referred to herein individually as a "*Party*" and collectively as the "*Parties*".

#### RECITALS

A. Kyle 150 is the owner of that certain approximately 422 acre parcel of real property located in the extra-territorial jurisdiction of the City of Mountain City and within the Anthem MUD boundaries which it proposes to develop as a master-planned, single-family residential subdivision consisting of approximately 1650 single-family homes and related improvements (the "*Anthem Tract*"). The Anthem Tract is depicted on the map of the affected properties attached hereto and incorporated herein as **Exhibit "A"** (the "*Property Map*") and more particularly described on **Exhibit "A-1"**.

B. Anthem MUD is a municipal utility district duly formed and validly existing under the laws of the State of Texas to provide retail water and wastewater service to the Anthem Tract. Anthem MUD has agreed to reimburse Kyle 150 for a portion of the costs to construct water and wastewater facilities necessary to serve the Anthem Tract, including without limitation the water facilities contemplated in this Agreement.

C. HMBRR is the owner of that certain approximately 890 acre parcel of real property located in the extra-territorial jurisdiction of the City, which it proposes to develop as a master-planned, residential development consisting of approximately 2100 residential units and related amenities and improvements (the "*6 Creeks Tract*"). The 6 Creeks Tract is depicted on the Property Map and more particularly described on **Exhibit "A-2"**.

D. The Covey Fund is the owner of that certain approximately 10 acre parcel of real property located in the City, which is currently used for agricultural purposes but may be developed for future commercial uses (the "*the Covey Fund Tract*"). The Covey Fund Tract is depicted on the Property Map and more particularly described on **Exhibit "A-3"**.

E. Beseda is the owner of that certain approximately 4.84 acre parcel of real property located in the City, which is currently used for agricultural purposes but may be developed for future commercial uses (the "*Beseda Tract*"). The Beseda Tract is depicted on the Property Map and more particularly described on **Exhibit "A-4"**.

F. Kyle 57 is the owner of that certain approximately 57 acre parcel of real property located in the City, which is currently used for agricultural purposes but may be developed for future residential uses (the "*Kyle 57 Tract*"). The Kyle 57 Tract is depicted on the Property Map and more particularly described on **Exhibit "A-5"**.

G. In addition to acting on its own behalf as utility provider, the City is also entering this Agreement on behalf of Blanco River Ranch Properties, L.P., the owner of

1307 acre parcel of real property located in the City, and/or its Extra-Territorial Jurisdiction, which such owner proposes to develop as master-planned, residential and commercial development consisting of approximately 1400 residential units and related amenities and improvements (the "*Blanco River Ranch Tract*"). The Blanco River Ranch Tract is depicted on the Property Map and more particularly described on Exhibit "A-6".

H. In addition to acting on its own behalf as utility provider, the City is also entering this Agreement on behalf of Lennar, the owner of 890 acre parcel of real property located in the extra-territorial jurisdiction of the City, which such owner proposes to develop as master-planned, residential development consisting of residential units and related amenities and improvements (the "*Plum Creek North Tract*"). The Plum Creek North Tract is depicted on the Property Map and more particularly described on Exhibit "A-7".

I. The City entered into a Retail Water and Wastewater Services Agreement (the "*Anthem Contract*") dated September 20, 2016 with Mountain City 150, LP ("MC 150") pursuant to which MC 150 agreed to pay its pro rata share in constructing an elevated water storage tank with a combined capacity of 2.039 million gallons (the "*Anthem Storage Tank*"). The Anthem Contract provides that, in connection with the construction of the Anthem Storage Tank, MC 150 agreed to construct: (i) a water force main and related appurtenances from the site of the Anthem Storage Tank to the main entryway into the residential development to be located on the Anthem Tract (the "*Anthem Water Main*"); (ii) a water force main and related pump stations and appurtenances from the Anthem Tract's proposed main entryway along FM 150 to a point of connection with the City's water system (the "*FM 150 Water Main*"), noted as the Point of Entry on the water facilities plan attached hereto as Exhibit "B" (the "*Water Facilities Plan*"); and, (iii) a one hundred thousand (100,000) gallon Ground Storage Tank, purely at the cost and benefit of Anthem.

J. MC 150 assigned the Anthem Contract to Anthem MUD in November 2016 and Anthem MUD has assumed all obligations of MC 150 in the Anthem Contract. MC 150 was subsequently dissolved, and Kyle 150 is the successor development entity for the Anthem Project.

K. The City entered into a De-annexation and Development Agreement (the "*6 Creeks Agreement*") dated May 16, 2017 with Blanco River Ranch Properties, LP, or its successors and assigns. On September 20, 2017, Blanco River Ranch Properties properly assigned its rights under the 6 Creeks Agreement to HMBRR. The 6 Creeks Agreement provides, among other things, that HMBRR shall (i) advance and pay a pro-rata share of the costs to construct the Anthem Storage Tank, (ii) construct a return line ("*Water Return Line*") from the Anthem Storage Tank to a delivery point noted on the Water Facilities Plan, and (iii) negotiate in good faith with the City if the City requests the oversizing of any utility facilities to be constructed pursuant to the 6 Creeks Agreement.

L. The original plan set forth in the Anthem Contract for the Anthem Storage Tank called for the construction of a combined 2.039 million gallon elevated storage tank

and a 100,000 gallon ground storage tank. The City has determined that the original plan in the Anthem Contract should be modified, based on modeling to accommodate functional need, so that a 800,000 gallon elevated storage tank ("*Anthem Elevated Storage Tank*" or the "*EST*") and a 500,000 gallon ground storage tank ("*Anthem Ground Storage Tank*") to be constructed on the site designated on the Water Facilities Plan. On the site of the Anthem Ground Storage Tank, additional property may be conveyed to the City for the site of an optional future 500,000 gallon ground storage tank expansion ("*Additional Ground Storage Tank*").

M. Subsequent to the execution of the Anthem Contract and the 6 Creeks Agreement, the City determined that the properties owned by Kyle 57, Beseda, and the Covey Fund would benefit from an oversized Water Return Line and capacity in the Anthem Ground Storage Tank and Anthem Elevated Storage Tank. Kyle 57, Beseda, and the Covey Fund are each agreeable to paying their pro-rata share of the Water Return Line the Anthem Ground Storage Tank and the Anthem Elevated Storage Tank, subject to the terms and conditions of this Agreement.

N. The Parties recognize that the FM 150 Water Main and the majority of the Water Return Line can be constructed in the same utility easement running alongside of FM 150, as depicted in the Water Facilities Plan, and that economies of scale exist to provide for costs savings for all Parties if the FM 150 Water Main and the Water Return Line are constructed concurrently.

O. Pursuant to the Anthem Contract, Anthem MUD or Kyle 150 on behalf of Anthem MUD is required to construct a 100,000 gallon ground storage tank within the timeframe required set forth in the Anthem Contract.

P. Anthem MUD has designed the FM 150 Water Main, the Anthem Ground Storage Tank, the Water Return Line and all other necessary, appropriate and related facilities. Henceforth the FM 150 Water Main, the Anthem Ground Storage Tank and the Water Return Line are known as the "*FM 150 Water Facilities*" or the "*Project*". Anthem MUD bid the Project, and the Project is in the process of being constructed in accordance with all applicable rules and regulations. The City has approved the plans specifications for the construction of the Project (the "*Approved Plans*").

Q. Construction of the Additional Ground Storage Tank will require there to be additional capacity in the Anthem Elevated Storage Tank to comply with all regulatory rules.

R. The City desires to cause the Anthem Elevated Storage Tank to be designed with an alternative design of 1 million gallons and to provide for cost participation in the oversized design and construction of the expanded facility. The 800,000 gallon tank will serve the parties to this Agreement. The alternative design will provide the City the option to participate in the cost of oversizing the Anthem Elevated Storage Tank from 800,000 gallons to 1 million gallons, and use the added capacity in the Anthem Elevated Storage Tank to accommodate the future construction of the Additional Ground Storage Tank.

S. The City has contracted with the owner of the Plum Creek North Tract to pay for its respective pro-rata share of the Anthem Elevated Storage Tank, and the City will make payment on behalf of such owner for such pro-rata share.

T. The City has anticipated the need of the Blanco River Ranch Tract, and while there is not a finalized development agreement for said property, there is an interim development agreement between the City and the owner of the Blanco River Ranch Tract, in place serving as a reasonable planning tool. The City has agreed to pay for such owner's pro-rata share of the Anthem Elevated Storage Tank. The City intends to recover such costs paid on behalf of such owner along with any other reasonable charges during their first phase of development of the Blanco River Ranch Tract.

U. This Agreement sets forth the Parties agreements regarding the financing and construction of the FM 150 Water Facilities, payment for the design, permitting, and construction of the FM 150 Water Facilities, and the Parties respective rights and obligations relating to the FM 150 Water Facilities. This Agreement further sets forth the agreements regarding the design, financing, and construction of the EST.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

#### **Article I. FM 150 Water Facilities**

##### **1.01. Project Schedule, Budget, and Participation Percentages.**

(a) The Parties agree to cooperate with Anthem MUD's efforts to complete the construction of the FM 150 Water Facilities in accordance with the schedule attached as **Exhibit "C"** (the "*Project Schedule*"). The Project is underway and Anthem MUD will ensure construction of the Project is completed in accordance with this Agreement and the Project Schedule.

(b) The initial budget for the Project (the "*Project Budget*") is attached as **Exhibit "D"**. The Project Budget will be updated as provided in this Agreement.

(c) The allocated shares of the costs of each component of the Project for Kyle 150 on behalf of Anthem MUD, the City (on behalf of the owners of the Blanco River Ranch Tract and Plum Creek North Tract), and each of the Water Return Line Users are set forth on the attached **Exhibit "E"** (the "*Participation Percentages*").

**1.02. Project Management and Project Engineer.** Kyle 150 on behalf of Anthem MUD will serve as project manager for the Project. Atwell, LLC will serve as the project engineer for the Project (the "*Project Engineer*").

**1.03. Easements.** All necessary utility easements to construct the FM 150 Water Main and the Water Return Line have been or will be made available to Kyle 150 prior to construction on the Project.

**1.04. Plan Preparation and Approval.** Kyle 150, on behalf of Anthem MUD, has caused the Approved Plans for the Project to be prepared by the Project Engineer sufficient to provide water service to the Water Return Line Users as required in this Agreement and in accordance with (i) the Anthem Contract; (ii) this Agreement; (iii) the Project Schedule; (iv) all applicable federal, State, and City laws, rules and regulations, including environmental regulations, that are applicable to the Project; and (v) good engineering and design practices. The Parties agree that the FM 150 Water Main and the Water Return Line are to be constructed concurrently. The Project Engineer has submitted the Approved Plans for the Project to the City and the Water Return Line Users and the City and the Water Return Line Users have approved such plans and specifications. The City warrants and represents that the Project and the Approved Plans meet all of its applicable legal requirements, and that the FM 150 Water Facilities once constructed in accordance with the Approved Plans are sufficient to provide water service to the Water Return Line Users as required by this Agreement without any further off-site improvements being required.

**1.05. Bidding and Contract Requirements.**

(a) The Project Engineer has advertised the Project for bid in the name of Kyle 150 on behalf of Anthem MUD in accordance with the legal requirements applicable to municipal utility districts, including Chapters 49 and 54, Texas Water Code, based on the design, plans and specifications approved by the Parties. At the time of the Effective Date of this Agreement, construction on the Project has commenced.

(b) The Project Engineer, at the request of any Party, will provide a copy of the bids and bid tabulation to such Party, as well as the award of the contract.

(c) The construction contract(s) for the Project includes the following provisions:

(1) That the contractor(s) will comply with the requirements of Section 5(e) related to insurance;

(2) That a minimum of Ten percent (10%) retainage shall be withheld from each payment made to the contractor(s);

(3) That the contractor(s) will be liable for all damage or injury to persons or property directly resulting from the activities of the contractor, and contractor's employees, agents, and subcontractors, in coming upon or performing work on the Project sites;

(4) That the contractor will indemnify the Parties from any liability arising out of claims arising due to contractor's activities within the Project work sites; and

(5) Any other provisions required to be included in the contract(s) under this Agreement.

(d) The contractor(s) for the Project will be required to post payment and performance bonds with the City in the contract amount, and to carry commercial general liability insurance written on a "per-occurrence" basis in a minimum amount of \$1,000,000 combined single limit per occurrence, \$2,000,000 general aggregate, and \$2,000,000 products/completed operations aggregate, and both Kyle 150 and Anthem MUD will be named as additional insureds or beneficiaries, as appropriate, of such insurance and bonds. If the insurance of the contractor is cancelled, the contractor(s) will be required to promptly notify Kyle 150 and to obtain and provide proof of replacement insurance, meeting the requirements specified above, prior to continuing its work.

(e) Kyle 150, on behalf of Anthem MUD, has executed the construction contract(s) for the Project and, upon request, will deliver a copy of the contract to the Parties. Kyle 150 agrees to comply with all of the terms, conditions and covenants of the construction contract(s).

#### **1.06. Construction; Inspection and Financing.**

(a) Kyle 150, on behalf of Anthem MUD will cause the contractor(s) for the Project to continue with construction and to complete construction in accordance with the Project Schedule, the Anthem Contract, this Agreement, the Project Budget and the Approved Plans, after the Effective Date of this Agreement. The Project will be constructed in conformity with the Approved Plans, in a good and workmanlike manner, and all material used in such construction will be substantially free from defects and fit for its intended purpose. The Project Engineer will inspect the construction and provide Kyle 150 on behalf of Anthem MUD and the Parties with monthly construction status reports. Upon request, the Parties or a designee of a Party may accompany the Project Engineer to inspect construction on the Project.

(b) The Project Engineer will monitor and confirm the percentage of completion of the Project existing from time to time and deliver written notice to the Parties of the percentage of completion.

(c) Kyle 150, on behalf of Anthem MUD, shall receive all pay applications from the contractor(s) relating to the Project ("*Pay Applications*"). In order to obtain any progress payment payable to the contractor, Kyle 150 must:

(1) Cause the Project Engineer to prepare a statement of the percentage of construction of the Project completed to the date of the Contractor's Pay Application (the "*Completion Percentage*") and state that the pay application has been approved by the Project Engineer and Anthem MUD (the "*Approved Pay Application*");

(2) Obtain the Project Engineer's certification of the amount of the Approved Pay Application payable by each of the Water Return Line Users and the portion of the contract price remaining to be paid by the City and Kyle 150 on behalf of Anthem MUD to complete the payment of the Approved Pay Application (the "*Certification*"); and

(3) Obtain an affidavit signed by the contractor(s), in the form of a conditional waiver and release of lien upon progress payment, in a form reasonably acceptable to the Parties, including affirmation of payment of all subcontractors and vendors supplying labor and or materials for the Project ("*Waiver and Release*"). The Approved Pay Application, the Certification, and the Waiver and Release shall be delivered to the Parties no later than 20 days after delivery of a Pay Application. Pay Applications may not be submitted more frequently than monthly.

(d) Within 30 days of the receipt of the Approved Pay Application, Certification and Waiver and Release, the Parties must each fund their share of the Approved Pay Application as provided in this Agreement, less retainage and any other amounts allowed to be withheld under the construction contract(s), in accordance with State law. Each Party will make payment for its share of the Approved Pay Application directly to Kyle 150 by check, mailed to the applicable address in Section 4.03 of this Agreement, or by any alternative format approved by Kyle 150. Kyle 150 shall promptly and timely pay all outstanding amounts for Approved Pay Applications, including the pro rata share of Kyle 150.

(e) Failure of a Party to fund a payment contemplated in this Agreement shall not relieve Kyle 150 of its obligation to make timely payments to the contractor(s) for Approved Pay Applications for the Project.

(f) If a Party fails to timely make a required payment for an approved Pay Application, unless such payment has been properly disputed pursuant to the provisions of this Agreement, Kyle 150 on behalf of Anthem MUD may require said Party to pay the Party's remaining pro rata share of the Project to an escrow agent to be held in escrow pursuant to escrow agreement reasonably acceptable to Kyle 150 on behalf of Anthem MUD and such Party (the "*Payment for Remaining Pro Rata Share*"), as calculated by the Project Engineer, in accordance with the updated Project Budget and Participation Percentages. A Payment for Remaining Pro Rata Share will be made within thirty (30) days of notice by Kyle 150 and shall be held by the escrow agent and utilized to make payments on Approved Pay Applications as they are requested by the contractor(s).

(g) If a Party fails to timely make a required payment and, after notice from Kyle 150, fails to make a Payment for Remaining Pro Rata Share, such inaction will be considered a default under this Agreement and written notice of such default shall be provided to the City.

(h) The Parties may dispute a Pay Application by giving written notice to Kyle 150 and the Project Engineer of the amount of the Pay Application disputed and the specific basis for the dispute within twenty (20) days of receipt of the Pay Application; provided that a dispute will only be permitted if any of the Parties, in good faith, allege that the work covered by the Pay Application has not been completed in accordance with the applicable construction contract or the terms of this Agreement, or if there is a default by the contractor under the construction contract in question, and if the disputing Party

has paid any amount that is not in dispute. Failure to dispute a Pay Application in a timely and proper manner as described herein, waives the right to dispute.

(i) The Parties shall cooperate to resolve any dispute permitted under this Section 1.06 promptly in order to avoid a default under the construction contract or this Agreement.

(j) The Parties agree that change orders that increase the original contract price under the construction contract(s) for the Project by a cumulative amount of \$50,000 or less do not require approval. All change orders that increase the original contract price under the construction contract for the Project by more than \$50,000 in the aggregate must be approved by the City Council unless the change order is required by an emergency. The Parties will not unreasonably condition, withhold or delay their approval of any proposed change order. If any change order amends the contract price, the Project Engineer will promptly update the budget and provide a copy of the update to the Parties.

**1.07. Completion.** Upon final City inspection, the City shall approve the construction if completed in compliance with the approved plans. After City approval, Anthem MUD or Kyle 150 on behalf of Anthem MUD will convey the Project to the City and will also assign all contract rights, warranties, guarantees, assurances of performance, and bonds related to the Project to the City, including any maintenance bonds required by the City at the time of acceptance. Anthem MUD or Kyle 150 on behalf of Anthem MUD shall furnish evidence of the conveyance of facilities to the City contained in the Project to the Water Return Line Users promptly upon request. The City agrees to accept the Project for ownership, operation and maintenance upon such final completion, inspection and approval. The Parties intend that all costs of the Project incurred by Kyle 150, or any other Party to the Agreement, will be eligible for reimbursement from a water district or public improvement district, as applicable and as provided by state law. The Parties acknowledge and agree that only Kyle 150 has any right to reimbursement from Anthem MUD. The Parties each acknowledge and agree that any monies spent on improvements related to water service for the Parties' projects are not subject to reimbursement or purchase by Anthem MUD.

**1.08. Default and Termination.**

(a) If Kyle 150 defaults under this Agreement, the Parties shall have the ability individually or collectively to pursue any and all valid remedies at law or in equity, including specific performance, in a court of competent jurisdiction. Kyle 150 will be in default under this Agreement upon the occurrence of one or more of the following events (an "Event of Default"):

(1) Kyle 150 fails to commence or complete design and permitting of the Project in accordance with this Agreement; or fails to commence, diligently pursue or complete construction or fails to achieve completion of the Project in accordance with this Agreement, and fails to cure such failure within fifteen (15) days of receipt of written notice from any of the Water Return Line Users to do so; or

(2) Kyle 150 fails to perform any other obligation under this Agreement in the time and manner specified by this Agreement and fails to cure such failure within fifteen (15) days of receipt of written notice from any of the Water Return Line Users to do so.

(b) The City will have the right, but not the obligation, to assume the construction contract(s) and to complete the Project in the event of a default by Kyle 150 under this Agreement. If Kyle 150 defaults under this Agreement and the City elects to assume the construction contract(s), Kyle 150 shall cooperate with the City, including assignment of the construction contract(s), if necessary. To the extent the City assumes the construction contract(s), the City shall be obligated to perform all of the duties and obligations and shall have all of the rights of Kyle 150 under this Agreement.

## Article II. Elevated Storage Tank

**2.01. Project Schedule, Budget, and Participation Percentages.** Anthem MUD, Kyle 150, HMBRR, Kyle 57, Beseda, the Covey Fund, and the City (the "*EST Parties*") agree to cooperate to complete the construction of the Anthem Elevated Storage Tank and all related facilities and appurtenances (the "*EST Project*") in accordance with the schedule attached as **Exhibit "F"** (the "*EST Project Schedule*"). The EST Parties' allocated shares of the costs of the EST Project are set forth in **Exhibit E**. The preliminary budget for the EST Project is reflected in attached **Exhibit D** and will be updated as provided in this Agreement.

**2.02. EST Project Defined.** The EST Project is further defined as the design, construction, and completion of the Anthem Elevated Storage Tank, in accordance with construction plans approved by the City, good engineering practices, and applicable local, state, and federal regulations, to be located on the property designated in **Exhibit B**. The EST Project will be designed as an 800,000 gallon elevated storage tank, and alternatively as a 1 million gallon elevated storage tank as provided in this Agreement.

**2.03. Easements.** The EST Parties will grant the City any easements needed for the construction and operation of the EST Project upon request by the City in a form acceptable to the City.

**2.04. Design.** Kyle 150, on behalf of Anthem MUD, will cause the EST Project to be designed in accordance with the EST Project Schedule. The EST Parties will share in the costs to design the EST Project, which is estimated to be \$324,000.00 (the "*EST Design Costs*") according to the Participation Percentages set forth in **Exhibit E**. The EST Parties shall pay for the EST Design Costs in accordance with the following schedule:

(1) Within 30 days of Kyle 150's delivery of written notice to the EST Parties, the EST Parties will deposit 25% of their respective portion of the EST Design Costs with the Kyle 150.

(2) Within 30 days of Kyle 150's delivery of written notice to the EST Parties that the EST Design Plans are 50% complete, the EST Parties will deposit an additional 25% of their respective portions of the EST Design Costs with Kyle 150.

(3) Within 30 days of the Kyle 150's delivery of written notice to the EST Parties that the EST Design Plans are complete, and have been approved by the City and any other governmental entities with jurisdiction over the construction of the EST Project, the EST Parties will deposit the final 50% of their respective portion of the EST Design Costs with Kyle 150.

(4) Kyle 150 shall use the EST Design Costs payments solely for the purpose of paying the consultant for designing the EST Project.

(5) If a EST Party fails to pay any installment of the EST Design Costs when due, Kyle 150 will deliver written notice to the EST Party of such failure and, if the EST Party does not deliver that installment of the EST Design Costs within 30 days of the date of the City's notice, the City may withhold further development approvals until the installment in question is delivered to the City.

**2.05. Bidding the EST Project.** Atwell, LLC will serve as the EST Project Engineer for the EST Project. The EST Project Engineer will advertise the EST Project for bid in the name of Kyle 150 on behalf of Anthem MUD in accordance with the legal requirements applicable to municipal utility districts including Chapters 49 and 54, *Texas Water Code*, and in accordance with the legal requirements applicable to the City including Local Government Code Chapter 252, based on the design, plans and specifications approved by the City. The bid advertisement or notice must be published within a time frame that allows for construction of the EST Project to commence by March 1, 2021.

(a) The EST Project Engineer will provide the City engineer and the City's purchasing agent with: (i) prior written notice of the dates for publication of the notice to bidders and the opening of the bids received in response to the notice; and (ii) a copy of the published bid notice.

(b) The bid documents will specifically include notice to the bidders of the requirement to submit a primary bid proposal for an 800,000 gallon elevated storage tank; the requirement to submit an alternative bid proposal for a 1,000,000 gallon elevated storage tank; the EST Project Schedule, including any liquidated damages imposed for non-compliance with the EST Project Schedule; and the requirement that the EST Parties will be jointly funding the cost of the EST Project as provided in this Agreement. The bid documents will also require that the bid prices for the EST Project be separately itemized. Should the City elect to oversize the Anthem Elevated Storage Tank, the City's cost share would be the incremental difference between the two bids.

(c) The EST Project Engineer will coordinate the receipt and opening of the bids, will provide a copy of the bids and bid tabulation to the EST Parties, City engineer and the City's purchasing agent for review, and will recommend, with the concurrence of

the City engineer, awarding the contract or contracts for the EST Project to the lowest responsible bidder or bidders.

(d) The City will notify the Project Engineer within thirty days of the date of the bid opening of the City's election to participate in the oversizing of the EST Project, and in such event, Kyle 150, LP on behalf of Anthem MUD shall enter into a contract for the construction of a 1 million gallon Anthem Elevated Storage Tank with the selected bidder. If the City declines to oversize the elevated storage tank, Kyle 150, LP on behalf of Anthem MUD shall enter into a contract for the construction of an 800,000 gallon Anthem Elevated Storage Tank with the selected bidder instead.

2.06. **Contract Terms.** The construction contract(s) for the EST Project will include the following provisions:

(a) That the EST Parties will each pay a share of the costs under the contract based on the Participation Percentages described in **Exhibit E** of this Agreement;

(b) That the contractor will comply with the requirements of Section 1.05(d) related to insurance;

(c) That a minimum of ten percent (10%) retainage shall be withheld from each payment made to the contractor; and

(d) That the contractor will be liable for all damage or injury to persons or property directly resulting from the activities of the contractor, and contractor's employees, agents, and subcontractors, in coming upon or performing work on the EST Project site;

(e) That the contractor will indemnify the EST Parties from any liability arising out of claims arising due to contractor's activities within the Anthem Elevated Storage Tank work site.

2.07. **Initial/Supplemental Construction Deposits, Refunds.** Within 15 days of the EST Project Engineer's delivery of notice of the recommended contract award(s), which will be accompanied by an updated budget based on the approved bid price(s), each EST Party will deliver to the City funds in the amount of 110% of its Participation Percentage of the revised cost of the EST Project as shown on the updated budget to secure its obligation to make payment when due under the construction contract(s) for the EST Project (the "*Construction Deposit*"). The Construction Deposit will be held by the City in a separate account, in trust for the EST Parties, and will be used solely to pay sums coming due under the EST Construction Contract. After construction of the EST is complete and the City has inspected and accepted the EST, the EST Project Engineer and the City shall work together to determine a final accounting of the EST Project. The final accounting shall be delivered to the EST Parties and the City will refund any funds remaining in the Construction Deposit to the EST Parties, based upon the pro rata contributions of the EST Parties and participant percentages included in Exhibit "E".

To the extent the Project Engineer determines that the anticipated costs of the EST Project have exceeded or will exceed the funds in the Construction Deposit, the Project Engineer will estimate the pro rata share of each EST Party relating to the cost

overruns. After approval of the estimated cost overruns by the City, the Project Engineer will provide notice to each EST Party and each EST Party will deliver to the City funds in the amount of its Participation Percentage of the estimated cost overruns within 30 days.

**2.08. Insurance and Payment and Performance Bonds.** The contractor(s) for the EST Project will be required to post payment and performance bonds with the City in the contract amount, and to carry commercial general liability insurance written on a "per-occurrence" basis in a minimum amount of \$1,000,000 combined single limit per occurrence, \$2,000,000 general aggregate, and \$2,000,000 products/completed operations aggregate, Kyle 150, LP and Anthem MUD will be named as additional insureds or beneficiaries, as appropriate, of such insurance and bonds. If the insurance of the contractor(s) for the EST Project is cancelled, the contractor will be required to promptly notify the EST Parties and the City and to obtain and provide proof of replacement insurance, meeting the requirements specified above, prior to continuing its work within the EST Project site.

**2.09. Contract Execution.** The EST Project Engineer will execute the construction contract for the EST Project and, upon execution, will promptly deliver a copy of the contract to the EST Parties. Each construction contract will provide that the City (or its designee) will have the right, but not the obligation, to assume the construction contract and to complete the EST Project in the event of a default by the EST Parties under this Agreement, including a failure by Kyle 150 to commence, pursue or complete the construction of the EST Project in accordance with the EST Project Schedule, as provided in **Exhibit F** of this agreement.

**2.10. Construction Reports, Pay Applications, Change Orders.**

(a) The EST Project will be constructed in strict conformity with the approved plans, in a good and workmanlike manner, and all material used in such construction will be substantially free from defects and fit for its intended purpose. The EST Project Engineer will inspect the construction and provide the Parties with monthly construction status reports.

(b) The EST Project Engineer will monitor and confirm the percentage of completion of the EST Project existing from time to time and deliver written notice to the EST Parties of the percentage of completion and any corresponding percentage payment to be made by the City pursuant to Article 11 of this agreement.

(c) The EST Project Engineer shall receive all pay applications from the contractor relating to the EST Project ("*EST Pay Applications*"). In order to obtain any progress payment payable to the contractor, Kyle 150 must:

(1) cause the Project Engineer to prepare a statement of the percentage of construction of the EST Project completed to the date of the Contractor's Pay Application (the "*EST Completion Percentage*") and state that the pay application has been approved by the Project Engineer and Kyle 150 (the "*Approved EST Pay Application*");

(2) obtain the EST Project Engineer's certification of the amount of the Approved Pay Application attributable to each of the EST Parties and payable from the Construction Deposit and the portion of the contract price remaining that is attributable to each EST Party (the "*EST Certification*"); and

(3) obtain an affidavit signed by the contractor, in the form of a conditional waiver and release of lien upon progress payment, including affirmation of payment of all subcontractors and vendors supplying labor and or materials for the Project ("*EST Waiver and Release*").

The Approved EST Pay Application, the EST Certification, and the EST Waiver and Release shall be delivered to the Parties no later than 20 days after delivery of a Pay Application. Pay Applications may not be submitted more frequently than monthly.

(d) Within 30 days of the receipt of the Approved EST Pay Application, Certification and Waiver and Release, the City shall release payment from the Construction Deposit, less retainage, unless a Party has timely and properly objected to an EST Pay Application. The City shall promptly and timely pay all outstanding amounts for Approved EST Pay Applications, including the pro rata share of Kyle 150.

(e) A EST Party may dispute a EST Pay Application by giving written notice to the City, and the EST Project Engineer of the amount of the EST Pay Application disputed and the specific basis for the dispute within 15 days of receipt of the EST Pay Application; provided that a dispute will only be permitted if any of the EST Parties, in good faith, allege that the work covered by the EST Pay Application has not been completed in accordance with the applicable construction contract or if there is a default by the contractor under the construction contract in question, and any of the EST Parties shall pay any amount that is not in dispute.

(f) The EST Parties shall cooperate to resolve any dispute permitted under this Section promptly in order to avoid a default under the construction contract or this Agreement.

(g) Any change orders over \$50,000 or that increases the overall project cost by \$50,000 will be subject to approval by the City before work contemplated by the change order begins unless the change order is required by an emergency. The City will not unreasonably condition, withhold or delay its approval of any proposed change order. If any change order changes the contract price, the EST Project Engineer will promptly update the budget and provide a copy of the update to the City, Anthem MUD and Kyle 150. Anything to the contrary contained in this Subsection notwithstanding, the City's share of the original contract price under any construction contract for the EST Project may not be increased by change orders by more than 25% without City Council Approval.

**2.11. Completion.** Upon final City inspection and approval, Anthem MUD or Kyle 150 on behalf of Anthem MUD will convey the EST Project to the City and will also assign all contract rights, warranties, guarantees, assurances of performance, and bonds related to the EST Project to the City, including any maintenance bonds required by the City at the time of acceptance.

**2.12. Default and Termination.**

(a) If Kyle 150 defaults under Article II of this Agreement, the City will have the right, but not obligation, to assume the construction contract or contracts for the EST Project and proceed with the construction of the EST Project in accordance with the EST Project Schedule. In such case, the City will have the right to utilize the Construction Deposit to complete the EST Project. Kyle 150, or the remaining Parties if applicable, will be in default under this Agreement upon the occurrence of one or more of the following events (an "Event of Default"):

(1) Kyle 150 causes the EST Project to fail to commence or complete design; commence, diligently pursue or complete construction or to achieve completion in accordance with the EST Project Schedule and fails to cure such failure within 15 days of receipt of written notice from the City to do so; or

(2) An EST Party fails to post a Construction Deposit when required under this Agreement and fails to cure such failure within five days of receipt of written notice from the City to do so; or

(3) An EST Party fails to perform any other obligation under this Agreement in the time and manner specified by this Agreement and fails to cure such failure within 15 days of receipt of written notice from the City to do so.

(b) At any time following an Event of Default, the City may notify the EST Parties that the City intends to assume and perform Kyle 150's outstanding obligations under this Agreement for construction of the EST Project. If the City gives notice that the City intends to perform Kyle 150's outstanding obligations under this Agreement for the construction of the EST Project following an Event of Default, then the City may assume the construction contract or contract(s) and use the Construction Deposit to pay for the costs of construction of the Project (the "Performance Rights"). The City will further have the right to assign its Performance Rights to an owner or purchaser of land in the area that is intended to receive service through the Project (the "Service Area").

(c) If the City does not elect to exercise its Performance Rights, the City agrees that it will, upon the request of an EST Party or an assignee of an EST Party that is an owner or purchaser of land in the Service Area, assign its Performance Rights to the requesting EST Party or assignee of an EST Party. In such event, the assignee will assume the City's Performance Rights and the EST Parties agree that the assignee may assume the construction contract or contracts for and with respect to the design, permitting and construction of the EST Project and will have the right to make applications to the City for and to receive funding from the Construction Deposit held by the City, as provided in Section 2.07, to make payments as contemplated in Section 2.10.

**Article III. Provision of Water Services**

**3.01 Service Commitment.**

(a) Subject to the terms and conditions of this Agreement, including the payment of all applicable fees and charges as set forth below, the City agrees to provide water service to customers within the Covey Tract, Beseda Tract and Kyle 57 Tract (the "FM 150 Properties") in a quantity set forth in **Exhibit D** for such tracts (the "Service Commitment"). The quantity of water service made available to any connection within those tracts will be determined according to meter size in accordance with the City's rules, regulations, and policies.

(b) The City's obligation to serve each of the FM 150 Properties is expressly contingent on the respective owners of their respective tracts (including successors and assigns) being compliant with their obligations under this Agreement and with City's rules, regulations, and policies.

(c) City shall have no obligation to provide water service to any portion of the FM 150 Properties until all of the following condition precedents have been satisfied:

(1) the lands to be furnished water service have received final subdivision plat approval by all governmental entities;

(2) with jurisdiction, and recorded for the phase of development within the respective tract to be furnished water service;

(3) City has received all necessary governmental approvals for the provision of services to the respective tract;

(4) the internal water facilities required to provide service the respective have been completed in accordance with plans and specifications approved by City, are operational, and have been conveyed to and accepted by City;

(5) all easements and other real property interests in the respective tract required to be conveyed to City under this Agreement have been dedicated to City; and

(6) all required fees and charges have been paid to City.

(d) Notwithstanding anything in Section 3.01(c) above to the contrary, the City hereby acknowledges and agrees that the living unit equivalents ("LUEs") of water service capacity allocated to the FM 150 Properties in the Service Commitment is hereby capacity that is reserved to the owners of such tracts and may not be allocated or committed to any other owner, property or water service customer so long as this Agreement remains and full force and effect.

**3.02 Service Commitment to HMBRR.** The City confirms that by satisfying its obligations under this Agreement, HMBRR shall be entitled to receive water service

from the City to the 6 Creeks Tract (in an aggregate amount not to exceed 2,100 LUEs) as contemplated under Section 4.01 of the 6 Creeks Agreement and, except for internal water infrastructure, shall not be required to finance or construct any additional facilities relating to the provision of water service to the 6 Creeks Tract.

#### Article IV. Miscellaneous

4.01. **Force Majeure.** For purposes of this Agreement, "Force Majeure" means acts of God, including lightning, earthquakes, fires, hurricanes, storms, or floods; pandemics or epidemics; orders of the government of the United States, the State of Texas or any other governmental authority with jurisdiction over the Project or the EST Project; delays caused by a third party utility provider, to the extent the approval or cooperation of said third party utility providers is required for the Project or the EST Project, or delays in governmental or regulatory approvals required for the Project or the EST Project beyond the time periods provided for such approvals in the Project Schedule or EST Project Schedule that are not within the control of the party claiming the inability and could not have been avoided by the exercise of due diligence. If a Party is rendered unable by Force Majeure to carry out any of its obligations under this Agreement, whether in whole or in part, then the obligations of that Party, to the extent affected by the Force Majeure, will be suspended during the continuance of the inability only and the Party in question must resume performance at the earliest practicable time. As soon as reasonably possible after the occurrence of any event of Force Majeure relied upon to suspend performance, the party whose obligations are affected must give written notice that includes the details of the Force Majeure to the other Parties. If this written notice is not given within 15 days after the alleged event of Force Majeure, then no extension of time will be allowed. The cause of the delay, as far as possible, must be remedied with all reasonable diligence.

4.02. **Future Effect.** The provisions of this Agreement will be binding upon and inure to the benefit of the parties, their respective successors and assigns.

4.03. **Notices.** Any notice given under this Agreement must be in writing and may be given:

- (1) by depositing it in the United States mail, certified, with return receipt requested, addressed to the Party to be notified and with all charges prepaid;
- (2) by depositing it with Federal Express or another service guaranteeing "next day delivery", addressed to the Party to be notified and with all charges prepaid;
- (3) by personally delivering it to the Party; or
- (4) by facsimile or email with confirming copy sent by one of the other described methods of notice set forth above.

Notice by United States mail will be effective on the earlier of the date of receipt or three days after the date of mailing. Notice given in any other manner will be effective only when received.

For purposes of notice, the addresses of the Parties are as follows until otherwise provided:

4.04. **Construction.** This Agreement will be construed under and in accordance with the laws of the State of Texas and all obligations hereunder are performable in Hays County, Texas. If any of the provisions of this Agreement are, for any reason, held to be invalid, illegal, or unenforceable, that invalidity, illegality or unenforceability will not affect the remainder of this Agreement, which will continue in full force and effect.

4.05. **Enforcement.** In addition to any other remedies available at law or in equity, the provisions of this Agreement will be enforceable by action for specific performance. If either party brings suit for the breach of any covenant, condition or agreement contained herein, then, in addition to any other remedies to which a party may

otherwise be entitled, the prevailing party will be entitled to recover all reasonable attorney's fees and expenses incurred in connection with that suit.

**4.06. Entire Agreement.** This Agreement contains the entire agreement between the parties with respect to the Project, and no oral statements or prior written agreement not specifically incorporated therein or herein will be of any force and effect. No modification of this Agreement will be binding on a party hereto unless set forth in a written document, executed by such parties or a duly authorized agent, officer or representative thereof. All of the parties have participated in the negotiation and drafting of this Agreement; therefore, in the event of any ambiguity, the provisions of this Agreement will not be construed for or against any party.

**4.07. Assignment.**

(a) This Agreement may be assigned by the agreement of all Parties. Any assignment will be in writing, specifically set forth the assigned rights and obligations, and be executed by the proposed assignee. Consent to any proposed assignment will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, the rights and obligations of HMBRR, Kyle 57, the Covey Fund and Beseda in Article I and Article II of this Agreement may be assigned or transferred to any subsequent purchaser or owner of their respective tracts without the consent of any other Party hereto being required.

(b) If a Party assigns its rights and obligations hereunder as to a portion of property, then the rights and obligations of any assignee and the Party will be severable, and the Party will not be liable for the nonperformance of the assignee and vice versa.

**4.08. Exhibits.** The following exhibits are attached to this Agreement and incorporated herein for all purposes:

<b>Exhibit A:</b>	Property Map and Property Descriptions (Exhibits A-1 through A-7)
<b>Exhibit B:</b>	FM 150 Water Facilities Plan
<b>Exhibit C:</b>	FM 150 Water Facilities Project Schedule
<b>Exhibit D:</b>	FM 150 Water Facilities & Elevated Storage Tank Project Budget
<b>Exhibit E:</b>	FM 150 Water Facilities & Elevated Storage Tank Participation Percentages
<b>Exhibit F:</b>	EST Project Schedule
<b>Exhibit G:</b>	EST Project Budget

**4.09. Authority for Execution.** All Parties hereby certify, represent, and warrant that, to the extent applicable, the execution of this Agreement has been duly authorized and adopted in conformity with the constituent documents of each person or entity executing on behalf of the Party.

4.10. **No Third-Party Beneficiary.** This Agreement is solely for the benefit of the Parties, and the Parties do not intend by any provision of this Agreement to create any rights in any third-party beneficiaries or to confer any benefit upon or enforceable rights under this Agreement or otherwise upon anyone other than Kyle 150, the District, and the Water Return Line Users.

4.11. **Counterparts.** This Agreement may be executed simultaneously in two or more counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument.

EXHIBIT "A"

## Exhibit "A-1"

"Anthem" Kyle 150, L.P.

**EXHIBIT A-1  
PROPERTY DESCRIPTION  
412.992 ACRES**

BEING 412.992 ACRES OF LAND LOCATED IN THE ANDREW DUNN LEAGUE, ABSTRACT NO. 4, THE JOHN COOPER SURVEY NO. 13, ABSTRACT NO. 100 AND THE JESSE DAY SURVEY, ABSTRACT 152 IN HAYS COUNTY, TEXAS AND BEING A REMAINDER OF THE SAME LAND CONVEYED TO MOUNTAIN CITY-150, L.P., CALLED TRACT 1, A 599.25 ACRE TRACT AND TRACT 2 A CALLED 73.693 ACRE TRACT AS DESCRIBED IN VOLUME 5272, PAGE 475 AND A CALLED 857 SQUARE FOOT TRACT 3 AND A 0.308 ACRE TRACT 4 AS DESCRIBED IN VOLUME 5272, PAGE 490 OF THE OFFICIAL PUBLIC RECORDS OF HAYS COUNTY, TEXAS; SAID 412.992 ACRES OF LAND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

**BEGINNING** at a ½-Inch iron rod located on the northwesterly right of way line of RM 150, an 80 foot wide public right of way, for the southwest corner of said 73.693 acre Tract 2, same being the northwest corner of a called 17.95 acre tract described in a deed to Robert and Linda Rosebrock recorded in Volume 1126, Page 236 of the Hays County Deed Records;

**THENCE**, with the northwest right of way line of said RM 150 the following courses and distances:

1. N45°54'47"W, 312.73 feet with the westerly line of said 73.693 acre tract to a Texas Department of Transportation Type I Concrete Monument;
2. N44°00'03"W, 1476.41 feet to a Texas Department of Transportation Type 1 Concrete Monument found at the beginning of a curve to the left;
3. with the arc of said curve to the left, passing the most southerly southwest corner of said 599.25 acre tract, a found 3/8-inch iron rod at an arc distance of 39.42 feet, passing the southerly corner of a 875 square foot and 0.308 acre tract described in a deed to Mountain City – 150, L.P. in Volume 5272, Page 490 and continuing for an arc distance of 568.29 feet, having a radius of 1185.90 feet, a central angle of 27°27'23" and a chord bearing and distance of N57°43'45"W, 562.87 feet to a ½-inch iron rod with cap stamped "AST" set for corner on said northwesterly right of way line, same being on the southerly line of a called 581.00 acre tract described in a deed to M I W L S, LP and being a re-entrant corner and most westerly south corner of the herein described tract;

**THENCE**, leaving the northwesterly right of way line of RM 150 and with the common line of said 581.00 acre tract and said 599.25 acre tract the following courses and distances:

1. N88°36'39"E, 1422.09 feet to a ½-inch Iron pipe found for an angle point in said line;
2. N88°38'02"E, 25.14 feet to a Mag Nail in concrete for an interior ell corner of the herein described tract;
3. N01°42'12"W, 2818.15 feet to a found 8-inch diameter Cedar Fence Post for an interior ell corner of the herein described tract;

4. S87°57'12"W, 2442.13 feet to a found 8-inch diameter Cedar Fence Post for an exterior ell corner of the herein described tract, same being the southeast corner of said 752.05 acre tract;

**THENCE**, with the westerly line of said 599.25 acre tract, same being the easterly line of said 752.05 acre tract, N01°27'27"E, 1085.94 feet to a ½-inch iron rod with cap stamped "AST" found;

**THENCE**, leaving said westerly line and crossing said 599.25 acre tract, same being the south line of a called 250.097 acres to the City of Austin in Document No. 19010061 of the Official Public Records of Hays County, Texas the following courses and distances:

1. N42°57'57"E, 440.38 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
2. N20°52'40"E, 1067.39 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
3. N37°09'29"E, 492.15 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
4. S85°09'20"E, 319.53 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
5. N84°25'47"E, 294.59 feet to a ½-inch iron rod with cap stamped "AST" found for corner to the beginning of a curve to the left;
6. with the arc of a non-tangent curve to the left, 511.24 feet, having a radius of 871.82 feet, a central angle of 33°35'56" and a chord bearing and distance of N68°19'13"E, 503.95 feet to a ½-inch iron rod with cap stamped "AST" found for corner and a point of compound curvature;
7. with a compound curve to the left, 763.84 feet, having a radius of 1431.82 feet, a central angle of 30°33'56" and a chord bearing and distance of N32°21'48"E, 754.81 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
8. N08°59'58"E, 277.34 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
9. N09°56'17"E, 409.55 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
10. with the arc of a non-tangent curve to the left, 835.46 feet, having a radius of 2082.16 feet, a central angle of 22°59'23" and a chord bearing and distance of N48°50'55"E, 829.87 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
11. N37°50'06"E, 277.44 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
12. N45°32'16"E, 192.35 feet to a ½-inch iron rod with cap stamped "AST" found for corner on the southwesterly line of a called 1974.77 acre tract described in a deed as Tract 6, and recorded in Volume 3533, Page 150 of said deed records and being on the northeasterly line of said 599.25 acre tract;

**THENCE**, with said southwesterly line, same being the northeasterly line of said 599.25 acre tract, S47°09'20"E, 189.32 feet to a 5-inch diameter Cedar fence post found with 3 mag nails and shiner at the north corner of Tract 4, Indian Creek Ranch Subdivision as recorded in Volume 6, Page 59 of the Hays County Plat Records;

**THENCE**, leaving the southwesterly line of said 1974.77 acre tract, and with easterly line of said 599.25 acre tract the following courses and distances:

1. With the westerly line of said Indian Creek Ranch Tract 4, S06°08'47"W, 1374.75 feet to a ½-inch iron pipe found at the southwest corner of said tract 4, same being the northwest corner of Tract 2 of said Indian Creek Ranch and angle point in said easterly line;
2. With the westerly line of said Tract 2, S06°09'17"W, 2965.57 feet to a ½-inch iron rod with cap stamped "AST" found for corner;

**THENCE**, leaving said westerly line of said Tract 2 of Indian Creek Ranch, crossing said 599.25 acre tract the following courses and distances:

1. N 83°51'07" W a distance of 98.94' to a ½-inch iron rod with cap stamped "AST" found for corner;
2. S 06°08'54" W a distance of 281.11 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
3. N 89°15'50" E a distance of 1221.70 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
4. S 00°29'01" E a distance of 271.28 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
5. S 32°42'55" W a distance of 611.20 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
6. S 87°44'24" W a distance of 57.88 feet to a ½-inch Iron rod with cap stamped "AST" found for corner;
7. S 11°37'37" W a distance of 411.37 feet to a ½-inch iron rod with cap stamped "AST" found for corner;
8. S 78°22'23" E a distance of 199.18 feet to a ½-inch iron rod with cap stamped "AST" found for corner in the west line of Hays Consolidated Independent School District;

**THENCE**, with the said west line of Hays Consolidated Independent School District, and with easterly line of said 599.25 acre tract the following courses and distances:

1. S11°36'28"W, 359.03 feet to an iron rod with cap stamped "McMillan" for an angle point in said line;
2. S10°09'51"W, 395.16 feet to an iron rod with cap stamped "McMillan" for an angle point in said line;
3. S10°11'50"W, 101.83 feet to an iron rod with cap stamped "McMillan" for an angle point in said line;
4. S10°09'55"W, 625.50 feet to an iron rod with cap stamped "McMillan" for an angle point in said line;
5. S12°41'22"W, 447.62 feet to a Nail in a 6-inch fence corner post for an angle point in said line;
6. S42°49'53"W, 93.56 feet to a 30-inch Live Oak tree for an angle point in said line;
7. S00°59'19"W, 13.67 feet to an iron rod with cap stamped RPLS 4542 at the southwest corner of said School District tract and the southeast corner of said 599.25 acre tract and being a point on the northerly line of said 73.693 acre Tract 2;

**THENCE**, with the northerly line of said 73.693 acre tract, N88°39'49"E, passing a ½-inch iron rod at 243.73 feet and continuing for a total distance of 325.41 feet to a ½-inch iron rod on the southerly line of said School District tract and being the northwest corner of Lot 6, Century Acres, a subdivision of record in Volume 6, Page 53 of the Hays County Plat Records;

**THENCE**, with said easterly line of said 73.693 acre tract and with the westerly line of said Lot 6 and 7 of said Century Acres and the easterly line of said Lot 2B and 2C Resubdivision of Lot 2B of the Resubdivision of Lot 2 Century Acres of record in Document No. 17040812 of the Hays County Official Public Records,

S13°28'59"E, 1658.91 feet to a ½-inch iron pipe found for the southeast corner of said 73.693 acre tract, same being the southwest corner of said Lot 2B and the common northerly corner of Lots 8 and 9 of Meadow Woods Section Two, a subdivision of record in Volume 3, Page 188 of said Plat Records, same being the northeast corner of said 17.95 acre tract;

THENCE, with the northerly line of said 17.95 acre tract, same being the southerly line of said 73.693 acre tract, S88°38'38"W, passing an iron rod with cap stamped "McMillan" at 103.02 feet and continuing for a total distance of 1505.09 feet to the **POINT OF BEGINNING** and containing, 412.992 acres of land, more or less.

## Exhibit "A-2"

### HMBRR – "6 Creeks Tract"

Blanco River Ranch  
858.70 acres

#### PROPERTY DESCRIPTION EXHIBIT A

BEING 858.70 ACRES OF LAND LOCATED IN THE SAMUEL PHARASS ¼ LEAGUE NO. 14, ABSTRACT 360, AND THE CALEB W. BAKER SURVEY, ABSTRACT 31 HAYS COUNTY, TEXAS AND BEING A PORTION OF TRACT I, A CALLED 1,971.29 ACRE TRACT AND ALL OF TRACT II, A CALLED 195.14 ACRE TRACT AS DESCRIBED IN A DEED FROM THE STATE OF TEXAS TO BLANCO RIVER RANCH, LP AND RECORDED IN VOLUME 5230, PAGE 583 OF THE DEED RECORDS OF HAYS COUNTY, TEXAS; SAID 858.70 ACRES BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS WITH ALL BEARING REFERENCED TO THE TEXAS COORDINATE SYSTEM, SOUTH CENTRAL ZONE.

**BEGINNING** at an Iron rod with aluminum cap stamped "Kent McMillian" found marking the most northerly corner of a called 311.56 acre tract described in a deed to Robert Nance recorded in Volume 4459, Page 137 of said Deed Records, same being the northwest corner of a called 195.14 acre tract described in the aforementioned deed to Blanco River Ranch as Tract II and being on the southeasterly line of said 1,971.29 acre Tract I;

**THENCE**, with the southerly line of said 1,971.29 acre tract, same being the northeasterly line of said 311.56 acre tract S43°59'58"W, 1916.27 feet to a ½-inch iron rod with cap stamped "AST" set on the northerly line of proposed RM 150;

**THENCE**, leaving said southerly line and crossing said 1,941.29 acre tract with the proposed northerly line of RM 150 the following courses and distances:

1. N65°08'51"W, 49.48 feet to a ½-inch iron rod with cap stamped "AST" set at the beginning of a curve to the right;
2. with a curve to the right, 381.25 feet, having a radius of 925.00 feet, a central angle of 23°36'54" and a chord bearing and distance of N53°30'43"W, 378.55 feet to a ½-inch iron rod with cap stamped "AST" set for point of tangency;
3. N41°42'16"W, 336.00 feet to a ½-inch iron rod with cap stamped "AST" set at the beginning of a curve to the left;
4. with the arc of said curve to the left, 151.93 feet, having a radius of 1100.00 feet, a central angle of 07°54'48" and a chord bearing and distance of N45°39'41"W, 151.81 feet to a ½-inch iron rod with cap stamped "AST" set for point of tangency;
5. N49°37'05"W, 572.43 feet to a ½-inch iron rod with cap stamped "AST" set for an angle point in said line;
6. N51°37'01"W, 75.00 feet to a ½-inch iron rod with cap stamped "AST" set for an angle point in said line;
7. N53°36'58"W, 749.01 feet to a ½-inch iron rod with cap stamped "AST" set at the beginning of a curve to the left;

8. with the arc of said curve to the left, 93.33 feet, having a radius of 1025.00 feet, a central angle of 05°13'01" and a chord bearing and distance of N56°13'28"W, 93.30 feet to a ½-inch iron rod with cap stamped "AST" set for the most westerly southwest corner of the herein described tract;

THENCE leaving said proposed right of way line and with a dry creek, the following courses and distances:

1. N26°31'11"E, 563.37 feet to a calculated point;
2. N46°09'29"E, 1179.39 feet to a calculated point;
3. N28°22'57"E, 708.36 feet to a calculated point;
4. N44°16'34"E, 582.28 feet to a calculated point at the beginning of a curve to the right;
5. with a curve to the right, 297.90 feet, having a radius of 1184.66 feet, a central angle of 14°24'28" and a chord bearing and distance of N77°54'54"E, 297.12 feet to a calculated point;
6. N04°51'54"W, 125.14 feet to a calculated point;
7. N23°10'37"E, 321.60 feet to a calculated point;
8. N13°08'23"W, 681.62 feet to a calculated point;
9. N31°45'00"E, 255.79 feet to a calculated point;
10. N08°23'37"E, 473.49 feet to a calculated point;
11. N02°33'01"W, 195.07 feet to a calculated point;
12. N30°53'10"W, 576.14 feet to a calculated point;
13. N01°26'31"W, 729.89 feet to a calculated point;
14. N38°05'39"W, 1250.80 feet to a calculated point;
15. N20°33'26"E, 282.73 feet a ½-inch iron rod with cap stamped "AST" set for the most westerly northwest corner of the herein described tract on the northerly line of said 1,971.29 acre tract, same being on the southerly line of Park Land Lot 23 of Arroyo Ranch, Section One, a subdivision of record in Volume 10, Page 180 of the Hays County Official Public Records;

THENCE, with the northerly line of said 1,971.29 acre tract, S82°42'45"E, 432.46 feet to a point located in the centerline of the remains of an old stone fence corner for an angle point in the north line of the herein described tract, from which a ½"-inch iron rod bears S88°19'W, 37.5 feet;

THENCE, continuing with said northerly line, N43°55'32"E, 1271.63 feet to a 2-inch metal fence post at the most northerly northwest corner of said 1,971.29 acre tract and being the common corners of Lots 12, 13 and 19, Block D of said Arroyo Ranch Section One subdivision;

THENCE, with the easterly line of said 1,971.29 acre tract the following courses and distances:

1. S46°19'30"E, at 185.02 feet passing the south line of said Arroyo Ranch subdivision and north line of a 20.3 acre tract described in a deed to F. Javier, Jr et al and recorded in Volume 2813, Page 359 of said Official Public Records and continuing for a total distance of 887.68 feet to a found ½-inch iron rod for the south corner of said Javier tract, same being the westerly corner of

a 21.15 acre tract described in a deed to Nancy L. Russell and Randall W. Russell and recorded in Volume 4385, Page 135 of said Official Public Records;

2. S46°48'04"E, 579.01 feet to a found ½-inch iron rod for the south corner of Russell and being the westerly corner of Quail Meadows Subdivision as recorded in Volume 7, Page 47 of the Hays County Plat Records;
3. With the southwesterly line of said subdivision, S46°06'19"E, 409.08 feet to ½-inch iron rod for angle point;
4. S47°09'10"E, 405.41 feet to ½-inch iron rod for angle point;
5. S47°52'54"E, 295.90 feet to ½-inch iron rod for angle point;
6. S47°18'52"E, 296.88 feet to ½-inch iron rod for angle point;
7. S47°21'24"E, 132.10 feet to ½-inch iron rod for angle point;
8. S47°07'34"E, 179.01 feet to ½-inch iron rod for angle point;
9. S46°55'27"E, 248.69 feet to ½-inch iron rod for most southerly corner of said subdivision and the westerly corner of a called 57.26 acre tract described in a deed to Kyle Mortgage Investors, LLC and recorded in Volume 3416, Page 789 of said Official Public Records;
10. S45°43'31"E, 436.59 feet to a fence post for angle point;
11. S46°32'55"E, 1447.00 feet to an iron rod with aluminum cap stamped "Kent McMillian" at an interior ell corner of said 1,971.29 acre tract;
12. Continuing with the easterly line of said 1,971.29 acre tract, S40°23'35"W, 1023.40 feet to a ½-inch iron rod found at the westerly corner of a called 1.259 acre tract described in a deed to Robin Robinson and recorded in Volume 5358, Page 587 of said Official Public Records;
13. S50°23'48"E, 255.70 feet to a fence post for angle point;
14. N40°43'43"E, 42.89 feet to a ½-inch iron rod with cap stamped "AST" set;
15. S52°09'40"E, at 85.22 feet passing a ½-inch iron rod found at the westerly corner of a called 0.72 acre tract described in a deed to Robin and Gale Robinson and recorded in Volume 4689, Page 363 of said Official Public Records and continuing for a total distance of 244.62 feet to a ½-inch iron rod with cap stamped "AST" set;
16. N43°53'50"E, 92.19 feet to a ½-inch iron rod with cap stamped "AST" set;
17. S78°26'49"E, 101.27 feet ½-inch iron rod found on the westerly right of way line of N. Old Stagecoach Road (width varies);

THENCE, with said westerly right of way line the following course and distances:

1. S16°21'49"E, 511.37 feet to a ½-inch iron rod with cap stamped "AST";
2. S16°20'38"E, 1420.21 feet to a 60d nail found next to a cedar fence post and
3. S16°48'53"E, 800.20 feet to a ½-inch iron rod with cap stamped "AST" set for the most easterly southeast corner of this tract;

THENCE, leaving said westerly right of way line and with fence along the southeasterly line of said 195.14 acre tract, S36°01'23"W, 42.36 feet to a cedar fence post;

THENCE, continuing with said southeasterly line, same being the northwesterly line of a called 132.59 acre tract described in a deed to Felder CND, LLC and recorded in Volume 5224, Page 246 of the Hays County Official Public Records the following courses and distances:

1. S48°36'08"W, 1583.50 feet to a cedar fence post;
2. N49°26'16"W, 34.23 feet to a cedar fence post;
3. S25°40'41"W, 39.42 feet to an iron rod with cap stamped "Vickrey";
4. S48°29'40"W, 2127.73 feet to a cedar fence post with "Mag Nail" on the northerly right of way line of Cypress Road (aka Limekiln Road) (width undetermined) at the southeast corner of said 195.14 acre tract from which an iron rod with aluminum cap stamped "Kent McMillian" bears S21°57'46"W, 50.84 feet;

THENCE, with said northerly right of way line, N77°16'32"W, 599.91 feet to a cedar fence post on the easterly line of said 311.56 acre tract;

THENCE, with fence and the easterly line of said 311.56 acre and westerly line of said 195.14 acre tract the following courses and distances:

1. N16°48'19"W, 270.65 feet to a calculated angle point in said line and;
2. N17°13'44"W, 1607.95 feet to the POINT OF BEGINNING and containing 858.70 acres of land, more or less.

#### SURVEYOR'S STATEMENT

I hereby state that the included field note description was prepared from an actual survey made on the ground under my supervision and is true and correct, to the best of knowledge and belief.

  
 Paul C. Sauve, Jr., RPLS #2518
