4.4 Vested Rights. The City acknowledges that the Owner shall be deemed vested from the Effective Date of this Agreement to develop the Project in accordance with this Agreement, the Porter Country PUD, the City Regulations, and the Code of Ordinances to the extent and for such matters as vesting is applicable pursuant to Chapter 245 of the Texas Local Government Code. The Owner's vesting shall expire (1) on the fifth anniversary from the date a concept plan is filed with the City if no progress has been made towards completion of the Project; or (2) if this Agreement is terminated by reason of Owner's default beyond any applicable notice and cure periods (the "Vested Rights"). Progress toward completion of the Project shall be defined as set forth in Section 245.005(c), Texas Local Government Code. The Owner does not, by entering into this Agreement, waive any rights or obligations arising under Chapter 245 of the Texas Local Government Code. To the extent any criteria specified in this Agreement which are in conflict with any other current or future City Regulations, then this Agreement shall prevail unless otherwise agreed to by the Owner in writing. The Parties acknowledge and agree that this paragraph shall not apply to fees imposed in conjunction with development permits.

4.5 Owner's Rights to Continue Development. In consideration of Owner's agreements, the City agrees that it will not, during the term of this Agreement, impose or attempt to impose: (a) any moratorium on building or development within the Project or (b) any land use or development regulation that limits the rate or timing of land use approvals, whether affecting subdivision plats, site development permits or other necessary approvals, within the Project except for moratoria imposed pursuant to Texas Local Government Code Subchapter E, Section 212.131 et. seq. This Agreement on the part of the City will not apply to temporary moratoriums uniformly imposed throughout the City due to an emergency constituting an imminent threat to the public health or safety, provided that the temporary moratorium continues only during the duration of the emergency.

4.6 Parkland. Approximately 70.6 acres shall be dedicated as parkland and open space as more particularly depicted in Exhibit "D" ("Parkland and Open Space"). Provided the Owner utilizes or dedicates such Parkland and Open Space acreage substantially in accordance with Exhibit "D", Developer shall be deemed to have satisfied all applicable parkland dedication or improvement requirements or payment of fees required in lieu thereof, of any kind whatsoever. Owner shall design, construct and install the public amenities listed and referenced in Exhibit "D", as more particularly referenced and described hereinafter ("Public Amenities"). Owner shall convey the approximately 70.6 acres by deed to the City upon City's approval of the final plat for the portion of the Property in which the applicable Parkland and Open Space is contained. All Parkland and Open Space conveyed to the City and all Public Amenities described in Exhibit "D" will be maintained and operated by the Association, as the term is defined in Section 10.1, commencing upon the conveyance of the applicable Parkland and Open Space or acceptance of the first Public Amenities by the City (as applicable) and continuing for as long as the Parkland and Open Space is used as parkland. The Public Amenities listed and described in Exhibit "D" will be constructed within the Project in phases concurrently with development of each phase (and as further set forth in Exhibit "D" attached hereto) in which the applicable Public Amenities are located; provided, Owner shall provide to or for the benefit of City, as security for the performance of such obligation, a payment and performance bond for the benefit of the City (or any

combination thereof) in an amount not less than 110% of the then-projected cost of any such unconstructed Public Amenities for a phase prior to any final plat filing for a particular phase. Owner shall have the right to draw down on the security posted as construction of the Public Amenities progresses. All Public Amenities described in Exhibit "D" and all Parkland and Open Space conveyed to the City will be Authorized Improvements maintained and operated by the Association, and the Owner and/or the Association and the City will enter into a maintenance and operation agreement substantially in the form attached hereto as Exhibit "E" concurrently with the conveyance of the Parkland and Open Space or Public Amenities, as applicable.

4.7 Project Entrances. On or before three (3) days prior to the closing of PID Bonds issued for Improvement Area #2 of the Project, Owner shall deposit or cause to be deposited the sum of four hundred thousand dollars ($400,000.00) with a third party title company selected by the Parties (the "Escrow Agent") to be held in escrow (the "Vybe Trail Extension Escrow") and used for the payment of a portion of the costs related to the construction of a portion of the Violet Crown Trail extending from the southern boundary of the Property to Windy Hill Road and substantially consistent with the highlighted segment of the Violet Crown Trail as depicted on the Citywide Trails Master Plan attached hereto as Exhibit "F" (the "Vybe Trail Extension"). The City shall be responsible for obtaining all funding approvals necessary for the additional costs of the Vybe Trail Extension as well as obtaining all easements and rights of way necessary for the construction of the Vybe Trail Extension. If the City has obtained all funding approvals, easements, and rights of way necessary for the construction of the Vybe Trail Extension on or before the Owner's commencement of construction of the portion of the Vybe Trail on the Property which connects to the Vybe Trail Extension, the Vybe Trail Extension Escrow funds will be released to the City for use of the construction of the Vybe Trail Extension pursuant to a separate escrow agreement between the City, the Owner, and the Escrow Agent. The Owner agrees to manage construction of the Vybe Trail Extension during construction of the portion of the Vybe Trail which connects to the Property. The Owner shall not be required to provide payment, performance, or maintenance bonds related to the Vybe Trail Extension. Upon completion of the Vybe Trail Extension, the Owner shall not be required to maintain or cause to be maintained the Vybe Trail Extension and shall have no ongoing responsibilities with respect to the Vybe Trail Extension. In the event the City has not obtained all funding approvals, easements, and rights of way necessary for the construction of the Vybe Trail Extension on or before the Owner's commencement of construction of the portion of the Vybe Trail on the Property which connects to the Vybe Trail Extension, the Vybe Trail Extension Escrow shall be returned to the Owner, and such four hundred thousand dollar ($400,000.00) funding contribution shall be deemed forfeited by the City.

ARTICLE V
PID TRUE UP

5.1 PID True Up.

(a) The following definitions shall be used in this Article V:

(1) "Maximum Special Assessment" means, for each lot classification identified in the Service and Assessment Plan ("SAP"), an Special Assessment equal to an amount that produces an average annual installment (inclusive of principal, interest, and administrative expenses) resulting in the Maximum Equivalent Tax Rate. The Maximum Special Assessment shall only be calculated upon (i) for a parcel being created by a subdivision plat, at the time of the filing of a subdivision plat, and (ii) for parcels whose Special Assessments are securing a series of PID Bonds, at the time such PID Bonds are issued.

(2) "Maximum Equivalent Tax Rate" means, for each lot classification identified in the SAP, a maximum overlapping tax rate equivalent, including all taxing entities, of $3.05 per $100 of estimated buildout value, but in no case less than a PID Special Assessment tax rate equivalent of $0.47 per $100 of estimated buildout value. The estimated buildout value for a lot classification shall be determined by the PID administrator using information provided by the Owner and confirmed by the City Council by considering such factors as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, builder contracts, discussions with homebuilders, reports from third party consultants, information provided by the Owner, or any other information that may help determine buildout value.

(b) Mandatory Reduction in Special Assessments if Maximum Special Assessment Exceeded.

(1) Maximum Special Assessment Exceeded at Plat. If the subdivision of any assessed property by a recorded subdivision plat causes the Special Assessment per lot to exceed the Maximum Special Assessment, then prior to the City approving the plat, the Owner must partially prepay the Special Assessment for each property that exceeds the Maximum Special Assessment in an amount sufficient to reduce the Special Assessment to the Maximum Special Assessment.

(2) Maximum Special Assessment Exceeded at PID Bond Issuance. At the time PID Bonds are issued, if the Special Assessment per Lot for any lot classification identified in the SAP exceeds the Maximum Special Assessment, then prior to the issuance of PID Bonds, the Special Assessment on the parcel shall be reduced until the Special Assessment equals the Maximum Special Assessment.

ARTICLE VI
PROJECT ENGINEER AND PROJECT FACILITIES

6.1 Project Engineer. The Owner has selected Brown and Gay Engineers as the project engineer for the Authorized Improvements, as herein defined (the "Project Engineer"). The Project Engineer will prepare the design, construction plans and specifications, and supporting documentation for the development of the Property. The Project Engineer will work and coordinate with the City Engineer to obtain the review and approval by Owner, the City Engineer and the Director of Development Services of such design, plans and specifications and supporting documentation. The Owner may, from time to time and at any time, replace the Project Engineer in the Owner's sole and absolute discretion. In the event Owner elects to replace the Project Engineer, the Owner will provide written notice to the City of the replacement engineer.

6.2 Project Facilities. The Project Facilities collectively consist of the Authorized Improvements and the Wastewater Improvements.

ARTICLE VII

PLAN REVIEW/APPROVAL AND BIDDING OF PROJECT FACILITIES

7.1 Plan Review and Approval. The City and the Owner shall cooperate in good faith and in a diligent manner to provide the Project Engineer with all information required to prepare a complete set of plans and specifications for each of the Project Facilities (the "Plans"). The Owner elects and agrees that the Concept Plan, preliminary plans, construction plans, and final plat for the Project shall be reviewed under City's alternative review process to allow for concurrent review. The City and the Owner shall work together in good faith to prepare and finalize the final plats and Plans, to maximize value, and to ensure the construction costs for all of the Project Facilities are commercially reasonable. Upon receipt of draft final plats and Plans from the Owner or Project Engineer, the Owner shall submit such final plats and Plans to the City. The Owner shall also provide to the City a cost estimate of the cost to construct the Project Facilities based on the Plans provided ("Cost Estimate") and an estimated construction schedule based on such Plans. The City and Owner agree to work diligently with one another to finalize the Plans and keep the costs commercially reasonable. The City shall have fourteen (14) days from its receipt of first submittal of the final plats and Plans to approve or deny the final plats and Plans or to provide comments back to the submitter of the final plats and Plans. If any approved construction and/or engineering final plats and Plans are amended or supplemented, the City shall have seven (7) days from its receipt of such amended or supplemented final plats and Plans to approve or deny the final plats and Plans or to provide comments back to the submitter of the final plats and Plans. Any written City approval or denial must be based on compliance with applicable City Regulations. If the City does not specifically approve or deny the submitted Plans within the above-described time periods, the City shall be promptly notified; if, after five (5) business days from the date of receipt of such notification the City has not specifically approved or denied the submitted Plans or provided comments back to the submitter, or if the Parties have not agreed to additional time for the City to respond, the Plans shall be deemed approved. After Owner receives any comments to the Plans, the Owner shall revise the Plans accordingly to address such comments and value engineering. The foregoing process shall repeat until the Plans are approved by the Owner and the City. The City agrees not to unreasonably withhold its approval of the final plats or Plans. Upon approval of the Plans, the City and the Owner shall sign, date and exchange an index of drawings identifying such approved Plans. Once the Plans are approved by the City and the Owner, the Plans shall not be modified or amended without the prior written consent of both the City and the Owner, which both Parties agree to give reasonably; provided that such changes do not result in a material increase in cost. Following approval of the Plans, the Owner shall, at the Owner's cost and expense and in compliance with all applicable codes, laws, regulations and ordinances, cause the construction of the Project Facilities in accordance with the Plans. The City shall cooperate with the Owner in connection with obtaining the necessary permits for the Project Facilities. If any provision in this paragraph conflicts with any other provision in this Agreement, this paragraph controls.

7.2 Project Facilities Costs Expenses and Reimbursement. All costs and expenses for designing, bidding, constructing and installing the Project Facilities shall initially be paid by the Owner. The Owner shall be eligible for reimbursement of the Project Facilities as set forth in this Agreement.

7.3 Competitive Bidding. This Agreement and construction of the Authorized Improvements are anticipated to be exempt from competitive bidding pursuant to Sections 252.022(a)(9) and 252.022(a)(11) of the Texas Local Government Code based upon current cost estimates. However, in the event that the actual costs for the Authorized Improvements do not meet the parameters for exemption from the competitive bid requirement, then alternative delivery methods may be used by the City as allowed by law.

7.4 Project Facilities Constructed on City Land or the Property. If the Project Facilities are on land owned by the City, the City shall grant to the Owner a temporary easement to enter upon such land for purposes related to construction (and maintenance pending acquisition and acceptance) of the Project Facilities in a form acceptable to both Parties. If the Project Facilities are on land owned by the Owner, the

Owner shall execute and deliver to the City such access, maintenance and operation easements as the City may reasonably require in recordable form, and the Owner shall grant to the City a permanent access, maintenance and operation easement to enter upon such land for purposes related to inspection, maintenance and operation of the Project Facilities in a form acceptable to the City. The grant of the permanent easement shall not relieve the Owner of any obligation to grant the City, Goforth SUD, Windy Hill, or other entity, as applicable, title to property and/or easements related to the Project Facilities as required by this Agreement or as should in the City's reasonable judgment be granted to provide for convenient access to and routine and emergency maintenance of such Project Facilities. The provisions for inspection and acceptance of such Project Facilities otherwise provided herein shall apply.

ARTICLE VIII

The City shall require the Owner to provide performance and payment bonds (in a form reasonably acceptable to the City) at the time of final plat approval to assure that the Authorized Improvements are constructed as proposed. The Owner shall provide, or cause to be provided, a two (2) year maintenance bond upon acceptance of applicable Authorized Improvements by the City.

8.3 City Acceptance.

(a) Within thirty (30) days after the City's final inspection and correction of punch list items of the Authorized Improvements (or applicable segment thereof), the Owner shall convey to the City (if requested by the City and by an instrument acceptable to the City), and the City will accept the applicable Authorized Improvements as follows:

(1) The Owner shall provide the City Engineer with a set of as-built drawings, for permanent record.

(2) The Owner or Owner's Contractor shall provide the City Manager or designee with a two-year maintenance bond for the Authorized Improvements conveyed to the City (as applicable).

(b) Upon the completion of construction of the applicable Authorized Improvements by the Owner, and final acceptance thereof by the City, the applicable Authorized Improvements will be owned, operated, and maintained by the City, and no other conveyance documents will be required to effectuate this transfer (other than easements that are not conveyed by plat).

8.4 Project Costs.

(a) The cost of the Project Facilities (the "Project Costs") will include all costs and expenses paid or incurred by the Owner in connection with the design and construction of the Project Facilities including, but not limited to, costs and expenses for:

(1) feasibility, design, engineering, environmental, consulting, survey, and

legal;

(2) soils and materials testing;

(3) obtaining governmental and regulatory approvals;

(4) construction management (4%), construction, and inspections; and

(b) Project Costs shall be reviewed by the City Engineer for reasonableness and necessity, and written comments, if any, shall be provided to the Owner within thirty (30) days after the Project Costs, including documentation, are delivered to the City Engineer. If any Project Costs are rejected by the City Engineer as unreasonable or unnecessary, a detailed written justification for the rejection shall be provided to the Owner. The portion of the approved Project Costs shall be paid or reimbursed to the Owner while payment with respect to the disputed portion(s) of the Project Costs shall not be made until the Owner and the City have jointly settled such dispute or additional information has been provided to the City's reasonable satisfaction.

8.5 City's Option to Complete Project Facilities.

(a) In the event the Owner fails to complete and obtain City acceptance of the Project Facilities to be dedicated to the City after any applicable notice and cure periods, the City will have the right, but not the obligation, to complete the Project Facilities and to draw on any fiscal security guaranteeing the completion of the Project Facilities.

(b) In the event the City elects to complete the Project Facilities, the Owner agrees that all of the Owner's right, title, and interest in the plans and specifications, designs, easements, real and personal property, and improvements acquired, produced or installed in aid of or necessary for completing such Project Facilities by the Owner or its engineers or contractors before such default shall become the property of the City and, in such event, the Owner will provide all necessary documentation to the City within five (5) business days of the City's request. To ensure that the City has all necessary rights to the plans and specifications for the Project Facilities and any other engineering services of the Project Engineer, Owner hereby assigns all its rights, title, and interest in the professional services agreements between the Owner and the Project Engineer necessary for completion of the Project Facilities. The Owner agrees that the City will have the right to use such plans and specifications to complete the Project Facilities.

ARTICLE IX
PID BOND ISSUANCE REQUIREMENTS

9.1 PID Bond Issuance Requirements. The Parties acknowledge the City's "Public Improvement District Policy" as of the Effective Date and agree that as consideration for the Owner's development of the Project, the City's issuance of PID Bonds and the PID Financing Documents shall be subject to the following requirements, which may differ from the policy:

(a) PID Bond Operations. The aggregate principal amount of PID Bonds to be issued shall not exceed $60,000,000, which shall be used to fund: (i) the actual costs of the Authorized

Improvements, (ii) to the extent permitted by law, required reserves, additional interest, and capitalized interest during the period of construction and not more than twelve (12) months after the completion of construction of all Authorized Improvements covered by the PID Bond issue in question and in no event for a period greater than thirty-six (36) months from the date of the initial delivery of the PID Bonds, (iii) a PID reserve fund and administrative fund, and (iv) any costs of issuance for the PID Bonds; provided, however, that to the extent the law(s) which limit the period of capitalized interest to twelve (12) months after completion of construction change, the foregoing limitation may, with the agreement of the Parties, be adjusted to reflect the law(s) in effect at the time of future PID Bond issuances.

(b) Maturity. The final maturity for each series of PID Bonds shall occur no later than thirty (30) years from the issuance date of said PID Bonds.

(c) Financing Amount. The Owner intends to request the issuance of the PID Bonds subject to the condition that the maximum cost of Authorized Improvements to be funded plus issuance and other financing costs shall not exceed $41,000,000. The amount may increase up to $60,000,000 with City Council approval due to cost increases in the Authorized Improvements.

(d) Value to Lien Ratio. The minimum value to lien ratio based on the anticipated final lot values as provided in an Appraisal at the issuance date of each series of PID Bonds shall be at least 2.0 to 1 overall, as set forth in the Indenture of Trust.

(e) Maximum PID Administrative Expenses. The administrative expenses related to the PID, as set forth in the SAP, shall not increase by more than two percent (2%) on an annual basis.

(f) Maximum Annual Installment Increase. Annual installments of the Special Assessments, as set forth in the SAP, shall be permitted to increase by up to two percent (2%) on an annual basis.

(g) City PID Fee. A fee in an amount equal to ten percent (10%) of the net proceeds of the PID bonds (the "City PID Fee") shall be paid, or caused to be paid, by Owner three (3) days prior to closing of each series of PID Bonds. The City PID Fee received by the City shall be deposited into the City's general fund and used by the City solely at its discretion for any lawful purposes.

ARTICLE X
PROPERTY OWNERS ASSOCIATION

10.1 Property Owners Association. Owner will create a Property Owners Association ("Association"), and shall establish bylaws, rules, regulations, and restrictive covenants (collectively, the "Association Regulations") to assure the Association performs and accomplishes the duties and purposes required to be performed and accomplished by the Association pursuant to this Agreement. The owner of each lot in the subdivision shall be required to be a member of the Association, and unpaid dues or assessments shall be and constitute a lien on the lot for which they are assessed. The Association Regulations will establish periodic Association dues and assessments, to be charged and paid by the lot owners in the Project, that are and will be sufficient to maintain (a) the drainage easements and improvements within the Property that are dedicated to the City but not maintained and operated by the City (the "Drainage"); (b) any part or portion of the Property that is dedicated to the Association (the "Dedicated Property"); and (c) maintenance and operation of the Parkland and Open Space and Public Amenities identified in Exhibit "D" in accordance with Section 4.6 above. The Association Regulations will require the periodic dues and assessments to be increased from time to time as necessary to provide the funds required for the maintenance of the Drainage, Dedicated Property, Parkland and Open Space, and Public Amenities, and to provide funds required for the management and operation of the Association.

ARTICLE XI
AUTHORITY; COVENANTS; PROPERTY RIGHTS

11.1 Powers.

(a) The City hereby represents and warrants to the Owner that the City has full constitutional and lawful right, power and authority, under currently applicable law, to execute and deliver and perform the terms and obligations of this Agreement, subject to the terms and conditions of this Agreement and subject to applicable processes, procedures, and findings that are required by state law, City ordinances, or the City Charter related to actions taken by the City Council, and all of the foregoing have been authorized and approved by all necessary City proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the City, is enforceable in accordance with its terms and provisions, and does not require the consent of any other governmental authority.

(b) The Owner hereby represents and warrants to the City that the Owner has full lawful right, power and authority to execute and deliver and perform the terms and obligations of this Agreement and all of the foregoing have been or will be duly and validly authorized and approved by all necessary actions of the Owner. Concurrently with the Owner's execution of this Agreement, the Owner has delivered to the City copies of the resolutions or other corporate actions authorizing the execution of this Agreement and evidencing the authority of the persons signing this Agreement on behalf of the Owner to do so. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the Owner, and is enforceable in accordance with its terms and provisions.

11.2 Authorized Parties. Whenever under the provisions of this Agreement and other related documents and instruments or any supplemental agreements, any request, demand, approval, notice or consent of the City or the Owner is required, or the City or the Owner is required to agree or to take some action at the request of the other, such request, demand, approval, notice or consent, or agreement shall be given for the City, unless otherwise provided herein or inconsistent with applicable law, the City Charter, or City Regulations, by the City Manager and for the Owner by any officer of the Owner so authorized (and, in any event, the officers executing this Agreement are so authorized); and any party shall be authorized to act on any such request, demand, approval, notice or consent, or agreement.

ARTICLE XII
GENERAL PROVISIONS

12.1 Time of the Essence. Time is of the essence in all things pertaining to the performance of this Agreement. The Parties will make every reasonable effort to expedite the subject matters hereof and acknowledge that the successful performance of this Agreement requires their continued cooperation.

12.2 Default; Remedies.

(a) A Party shall be deemed in default under this Agreement if such Party fails to materially perform, observe or comply with any of its covenants, agreements or obligations hereunder or breaches or violates any of its representations contained in this Agreement, subject to the notice and cure provisions in this Section 12.2.

(b) Before any failure of any Party to perform its obligations under this Agreement shall be deemed to be a default of this Agreement, the Party claiming such failure shall notify, in writing, the Party alleged to have failed to perform of the alleged failure and shall demand performance. No default of this Agreement may be found to have occurred if performance has commenced to the reasonable

satisfaction of the complaining party within thirty (30) days of the receipt of such notice, and the Party shall be given a reasonable time to cure the alleged failure (such reasonable time determined based on the nature of the alleged failure, but in no event less than thirty (30) days after written notice of the alleged failure has been given). Upon a default of this Agreement for which cure has not commenced as provided above, the non-defaulting Party, in any court of competent jurisdiction, by an action or proceeding at law or in equity, may seek relief, including but not limited to the specific performance of the covenants and agreements herein contained, mandamus, and injunctive relief. Except as otherwise set forth herein, no action taken by a Party pursuant to the provisions of this Section or pursuant to the provisions of any other Section of this Agreement shall be deemed to constitute an election of remedies and all remedies set forth in this Agreement shall be cumulative and non-exclusive of any other remedy either set forth herein or available to any Party at law or in equity. Each of the Parties shall have the affirmative obligation to mitigate its damages in the event of a default by the other Party.

12.3 Force Majeure.

(a) The term "Force Majeure" as employed herein shall mean and refer to acts of God; strikes, lockouts, or other industrial disturbances: acts of public enemies, orders of any kind of the government of the United States, the State of Texas or any civil or military authority; insurrections; riots; wars; revolts; terrorism; sabotage and threats of sabotage or terrorism; epidemic; pandemic; landslides; lightning, earthquakes; fires, hurricanes; storms, floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accidents to machinery, pipelines, or canals; transportation disasters, whether by ocean, rail, land or air; or other causes that (i) are not reasonably within the control of the party claiming such inability, or (ii) could not be avoided, by the party who suffers it, by the exercise of commercially reasonable efforts.

(b) If, by reason of Force Majeure, any party hereto shall be rendered wholly or partially unable to carry out its obligations under this Agreement, then such party shall give written notice of the full particulars of such Force Majeure to the other party within thirty (30) days after the occurrence thereof. The obligations of the party giving such notice, to the extent effected by the Force Majeure, shall be suspended during the continuance of the inability claimed, except as hereinafter provided, but for no longer period, and the party shall endeavor to remove or overcome such inability with all reasonable dispatch.

(c) It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require that the settlement be unfavorable in the judgment of the party having the difficulty.

12.4 Liability of the Owner, its successors and assignees. Any obligation or liability of the Owner whatsoever that may arise at any time under this Agreement or any obligation or liability which may be incurred by the Owner pursuant to any other instrument, transaction or undertaking contemplated hereby shall be satisfied, if at all, out of the assets of the Owner and any fiscal surety posted with the City related to the Porter Country Subdivision only, except as required by the PFA or any other agreements the Owner enters related to the PID or the Porter Country Subdivision. No obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the property of any of partners, officers, employees, shareholders or agents of the Owner, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise, except as required by the PFA or any other agreements the Owner enters related to the PID or the Porter Country Subdivision.

12.5 Personal Liability of Public Officials. To the extent permitted by State law, no public official or employee shall be personally responsible for any liability arising under or growing out of this

Agreement.

12.7 Amendments and Waivers. Any provision of this Agreement may be amended or waived if such amendment or waiver is in writing and is approved by the City Council and the Owner. No course of dealing on the part of the City or the Owner nor any failure or delay by the City or the Owner with respect to exercising any right, power or privilege pursuant to this Agreement shall operate as a waiver thereof, except as otherwise provided in this Section.

12.8 Invalidity. In the event that any of the provisions contained in this Agreement shall be held unenforceable in any respect, such unenforceability shall not affect any other provisions of this Agreement, and, to that end, all provisions, covenants, agreements or portions of this Agreement are declared to be severable.

12.9 Beneficiaries. This Agreement shall bind and inure to the benefit of the Parties and their successors and permitted assigns.

12.10 Successors and Assigns.

(a) Except as expressly provided in this Section, neither party to this Agreement shall have the right to convey, transfer, assign, mortgage, pledge or otherwise encumber all or any part of its right, title and interest under this Agreement to any party without the prior written consent of the other party to this Agreement, which consent shall not be unreasonably withheld, conditioned, delayed or denied.

(b) Owner may, from time to time, effectuate a transfer of the obligations, rights, requirements, or covenants to develop the Property under this Agreement, in whole or in part, without the consent of City to: (i) any affiliate or related entity of the Owner; or (ii) any lienholder on the Property. The obligations, rights, requirements, or covenants to develop the Property under this Agreement shall not be assigned by the Owner to a non-affiliate or non-related entity of the Owner without the prior written consent of the City Council, which consent shall not be unreasonably withheld, conditioned, delayed, or denied; provided such party agrees in writing to assume all of Owner's duties, obligations, and liabilities so assigned hereunder, and provided further that any such assignment shall not become effective until the City receives notice of the assignment and a copy of the assignment instrument. Any receivables due under this Agreement, the PFA, or any Reimbursement Agreement may be assigned by the Owner without the consent of, but upon written notice to, the City within ten (10) days of such assignment pursuant to this Agreement.

(c) Owner may pledge, assign, collaterally assign, or grant a lien or security interest in, or otherwise encumber any of its right, title and interest under this Agreement, in whole or in part, (i) without the consent of the City, to any third party lender of the Project (each, a "Lender"), or (ii) to any person or entity with the City Council's prior written consent (which consent shall not be unreasonably withheld, conditioned, or delayed) as security for the performance of Owner's obligations; and in relation thereto, the City will execute reasonable acknowledgements of this Agreement as may be requested by such Lender or third party, including confirmation whether this Agreement is valid and in full force and effect, whether either party is in default of any duty or obligation under this Agreement, and agreeing to provide notice and opportunity to cure to such Lender and the City agrees to accept a cure, not to be unreasonably withheld, offered by the Lender as if offered by the defaulting Party. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any Lender to perform any obligations or incur any liability under this Agreement unless the Lender agrees in writing to perform such obligations or incur such liability. A Lender is not a party to this Agreement unless this Agreement is amended, with the consent of the Lender, to add the Lender as a Party.

(d) Any attempted transfer of a portion of the Property or of any right or beneficial interest under this Agreement shall not be effective with respect to such interest unless the instrument purporting to carry out such transfer expressly states that the right or beneficial interest subject to the transfer is deemed a transfer to the proposed party.

(e) Notwithstanding anything to the contrary, this Agreement shall not be binding upon any purchaser of a platted lot or reserve in the Project.

12.11 Exhibits, Titles of Articles, Sections and Subsections. The exhibits attached to this Agreement are incorporated herein and shall be considered a part of this Agreement for the purposes stated herein, except that in the event of any conflict between any of the provisions of such exhibits and the provisions of this Agreement, the provisions of this Agreement shall prevail. All titles or headings are only for the convenience of the Parties and shall not be construed to have any effect or meaning as to the agreement between the Parties hereto. Any reference herein to a section or subsection shall be considered

a reference to such section or subsection of this Agreement unless otherwise stated. Any reference herein to an exhibit shall be considered a reference to the applicable exhibit attached hereto unless otherwise stated.

12.12 Applicable Law. This Agreement is a contract made under, and shall be construed in accordance with and governed by, the laws of the United States of America and the State of Texas, and any actions concerning this Agreement shall be brought in either the Texas State District Courts of Hays County, Texas or the United States District Court for the Western District of Texas.

12.13 Entire Agreement. This Agreement represents the final agreement between the Parties and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the Parties. There are no unwritten oral agreements between the Parties.

12.14 No Waiver of City Standards. Except as may be specifically provided in this Agreement, the City does not waive or grant any exemption to the Property or the Owner with respect to City Regulations.

12.15 Approval by the Parties. Whenever this Agreement requires or permits approval or consent to be hereafter given by any of the Parties, the Parties agree that such approval or consent shall not be unreasonably withheld, conditioned or delayed. Approvals and consents shall be effective without regard to whether given before or after the time required for giving such approvals or consents.

12.16 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

12.17 Interpretation. This Agreement has been jointly negotiated by the Parties and shall not be construed against a Party because that Party may have primarily assumed responsibility for the drafting of this Agreement.

12.18 Severability. The provisions of this Agreement are severable, and if any word, phrase, clause, sentence, paragraph, section, or other part of this Agreement, or the application thereof to any person or circumstance, shall ever be held by any court of competent jurisdiction to be invalid or unconstitutional for any reason, the remainder of this Agreement and the application of such word, phrase, clause, sentence, paragraph, section, or other part of this Agreement to other persons or circumstances shall not be affected thereby.

12.19 Binding Obligations. This Agreement shall be binding upon the Parties and their successors and assigns permitted by this Agreement and upon the Property; provided, however, this Agreement, if recorded, shall not be binding upon, and shall not constitute any encumbrance to title as to, any end-buyer of a fully developed and improved lot within the Property except for land use and development regulations that apply to specific lots. For purposes of this Agreement, the Parties agree (i) that the term "end-buyer" means any owner, developer, tenant, user, or occupant, and (ii) that the term "fully developed and improved lot" means any lot, regardless of proposed use, for which a final plat has been approved by the governmental authority having jurisdiction and for which all planned and approved improvements have been constructed and accepted to the extent that a building permit may be obtained for such lot.

12.20 Anti-Boycott Verification. To the extent this Agreement constitutes a contract for goods or services within the meaning of Section 2270.002 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2270 of the Texas Government Code, and subject to applicable Federal law, Owner represents that neither Owner nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of Owner (i) boycotts Israel or (ii) will boycott Israel through the

term of this Agreement. The terms "boycotts Israel" and "boycott Israel" as used in this paragraph have the meanings assigned to the term "boycott Israel" in Section 808.001 of the Texas Government Code, as amended.

12.21 Verification under Chapter 2252, Texas Government Code. To the extent this Agreement constitute a governmental contract within the meaning of Section 2252.151 of the Texas Government Code, as amended, solely for purposes of compliance with Chapter 2252 of the Texas Government Code, and except to the extent otherwise required by applicable federal law, Owner represents that Owner nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of Owner is a company listed by the Texas Comptroller of Public Accounts under Sections 2270.0201, or 2252.153 of the Texas Government Code.

12.22 No Discrimination Against Fossil-Fuel Companies. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code, as amended, the Owner hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, "boycott energy companies" shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (a) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (b) does business with a company described by (a) above.

12.23 No Discrimination Against Firearm Entities and Firearm Trade Associations. To the extent this Agreement constitutes a contract for goods or services for which a written verification is required under Section 2274.002, Texas Government Code, as amended, the Owner hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this Agreement against a firearm entity or firearm trade association. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, (a) 'discriminate against a firearm entity or firearm trade association' means, with respect to the firearm entity or firearm trade association, to: (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association; and (b) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (A) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (B) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association. As used in the foregoing verification, (a) 'firearm entity' means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e., weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in

conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code); and (b) 'firearm trade association' means a person, corporation, unincorporated association, federation, business league, or business organization that: (i) is not organized or operated for profit (and none of the net earnings of which insures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.
