3.0 Questions and Answers

Q1: Can Geotechnical Firms submit individually, or do we have to Team up with a Civil Design Firm?

Firms submitting need to be able to provide the various scopes of work identified in the RFQ.

Q2: Will you have up to five firms for both W&WW projects and PW projects or just 5 firms in total?

Up to five (5) firms will be selected for the full scope of work described in the RFQ.

Q3: Is it preferred for the subconsultants to be listed in the submittal or not?

Firms submitting can include any subconsultants, however the prime firm will be the one judged by the selection criteria.

Q4: What kind of projects will be included under W&WW Investigations?

Investigation projects will include pipeline condition assessments and other related efforts.
