Goforth Rd. Construction Detour Map

Portions of Goforth Rd. are under construction. This project is part of the 2013 Kyle Road Bond Package approved by Kyle voters. Access to Fuentes Elementary is limited, as is access to streets in the adjacent neighborhoods. Detour signs are already posted. During the first few weeks of school, we ask that parents think about carpooling, using the bus service if provided for your neighborhood and even walking to school. This will minimize traffic on Goforth and help with safety concerns. Your cooperation is greatly appreciated! Visit http://www.cityofkyle.com/cityengineer/goforth-rd-construction-information for more information.
