1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from food shortages and that the government is unable to provide adequate social services.

2. The second part of the report deals with the political situation. It is noted that the government is unable to carry out its policies and that there is a general feeling of disillusion among the people. The report also mentions that there is a growing movement for independence and that the people are demanding a more democratic form of government.

3. The third part of the report deals with the social situation. It is noted that the people are suffering from poverty and that there is a high level of unemployment. The report also mentions that there is a general feeling of hopelessness and that the people are looking for a better future.

4. The fourth part of the report deals with the economic situation. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from food shortages and that the government is unable to provide adequate social services.

5. The fifth part of the report deals with the international situation. It is noted that the country is in a state of isolation and that there is a general feeling of hopelessness. The report also mentions that the people are looking for a better future and that they are demanding a more democratic form of government.
