Program Guidelines

Plum Creek Preserve's Lake Kyle Park

Instructional Fishing Clinic

- Registration for Fishing Clinic for first-time participants must be received online at Teamsideline.com and will be accepted until all spaces are filled
- Sessions are led by Certified Instructors from The Texas Parks & Wildlife Department.
- Sessions are set up into 5 stations -
 - Basic Tackle and Fishing Knots - how to tie hooks and lures to line, creating a bobber/sinker/hook rig.
 - Fish and Bait - types of fish and bait fish prefer.
 - Learn to Cast - proper and safe way to cast your line.
 - Fishing Regulations and Safety - knowing the rules and being safe while fishing make this an enjoyable sport.
 - Ethics - why you should do the right things and know what the wrong things are as related to fishing.
- As participants visit each station, they will be gathering items for their tackle box. Each participant will receive a tackle box of fishing supplies.
- Every participant attending the clinic must be accompanied by an adult.
- There is no charge to attend and participate in the clinic. Registration form signed by parent/guardian is required.

Hooked On Fishing Derby

- Registration for the Clinic includes registration for the Derby.
- This is not a competition.
- Parents fishing with child do not need Texas Freshwater Fishing License for this event (per TP&W exception).
- Catch & Release ONLY.
- Each child will receive a trophy.
- Use of bait and/or artificial lures are participants choice.
- Only one pole per person.
- Some bait, hooks, bobbers will be available.

What to bring
