City of Kyle Planning and Zoning Meeting:  
Comprehensive Master Plan: Mid Term Review  
General Public Input Questionnaire

Purpose: The Kyle Planning and Zoning Commission is reviewing the current Comprehensive Master Plan in order to propose which areas of the plan should be focused on as part of the 5 year midterm update process.

Process: This questionnaire is designed to solicit responses from the general public regarding the six main elements of the Comprehensive Plan; Future Land Use, Open Space Use, Public Facilities, Transportation, Urban Design and Downtown Revitalization.

1. Future land use addresses the public's vision to shape and direct the City's future growth, what suggestions or comments can you provide regarding this element of the plan? Please indicate the specific geographic areas of town where you feel this type of growth should take place.
