

Q. Good morning, in regards to the Multistory Building RFQ and the Hartson Park Landscaping RFQ, if we want to submit for these RFQs as complete team for both – do we need to submit separate RFQs or can we submit for the Building RFQ but indicate it is for both RFQs?

A. You should officially submit twice for legal sake, but it can be the same SOQ information (ie one SOQ submitted twice). Just note that you are replying to both and be sure all of the requirements for both are in the prepared response.
